

## Sponsored Walk - Wednesday 25th April

The main fund raising event for our **Lent Appeal** will be on **Wednesday 25<sup>th</sup> April**. Children from Reception to class 6 will be going to Roundhay Park to walk around part of the park. They will be taken there and back on the minibus. Please could you make sure you complete the permission slip below and send it back to school. Please help them get sponsors to raise money for our nominated charities and stress that children should not go knocking on doors to get sponsors but ask people that they already know. If any parents would like to join in please speak to your child's teacher to find out about times

The two charities that we are supporting this year are

### Felicia's Courage

**This charity supports research and treatment for children with a rare tumour of the brainstem. It is extremely difficult to treat and the charity supports both research and support for families who have a child diagnosed with this form of cancer.**

### Mencap Leeds

**This charity provides many services for young people with learning disabilities along with their families. It provides a support centre, clubs and help for families who have children that find aspects of life challenging.**

Many thanks for all your help with our fundraising.
