

Dear parents/carers,

It was lovely to see so many parents/ carers at our consultation meeting this week (reorganised following the snow on the previous Wednesday). We hope that the dialogue with your child's teacher was informative and celebrated strengths, together with suggestions on areas to improve. A reminder for EYFS Reception Parents, that your re-arranged meeting is Thursday March 15th.

New School Uniform...

Several children in school are wearing fleeces, cardigans and sweatshirts from Tesco, the school's new uniform supplier.

Just a reminder that aside from the logo sweaters - plain white polo shirts, grey skirts/trousers can be purchased from any schools clothing supplier.

Library Learning..

On Thursday, as part of Book Week at St Peter's, Year 1 visited Sible Heddingham Library. The children toured the library, looking at both fiction and non-fiction sections. They then spent time looking at books in the children's section.

Construction equipment plea..

If you have any clean, unused lego or construction equipment at home that your children have outgrown, please consider donating it to the school! Mrs Craig is the person to contact. (We can collect!!)

Breakfast Club...

Breakfast Club is open daily from 7:30am. The daily cost (to include breakfast and childcare) is £3.00 per child.

If you do not already have an information pack, please call in and collect from the office. Contact details/agreement form must be signed before children can be left.

Attendance Matters...

This week's Attendance Cup is awarded to **Year 1**.
(figures for last week).
Well done to all in Year 1 for being in school, on time.

Absence from School

If your child is unwell, please ensure that you keep us informed. We will always telephone on the first day of an absence to establish a reason, and will continue to call, across a week to seek advice on a date for return. If we are unable to establish contact we have to make a 'Missing Child' referral to Essex County Council who will undertake immediate investigations. These may include house visits.

Museum visitor

Laura Worthington from Braintree Museum spent the morning with Year 2 talking about John Ray, one of this country's foremost naturalists. Ray, from Essex, published important works on botony, zoology and natural theology. Children in Year 2 will be closely examining plants as part of their Spring term topic.

Mother's Day Breakfasts...

During the week celebrating International Women's Day it was fitting that our lovely mums, nans and aunties gathered together in the school hall for Mother's Day Breakfasts.

Thank-you to everyone involved!
