

NEWSLETTER EXTRA

For 'Other Faiths Week' Year 5 will be studying Judaism. We will learn about celebrations and traditions, with a focus on Passover and the Shema. We are extremely fortunate to be having a speaker coming to visit us at 2:00pm on Friday 20th April in class. Jon Colman is from the Sheffield & District Reform Jewish Congregation, and he will be visiting us to talk about the Jewish faith, show the children artefacts and even bring in some traditional Passover foods for us to try! Mr. Colman is kindly doing this talk free of charge, but as a thank you we would like to contribute to the local work his organisation do. We are therefore planning to donate some food to our local food bank, Mount Tabor Methodist Church. If you would like to send any donations into Year 5 between now and Friday that would be greatly appreciated, and Miss McKay will be taking the donations down after school on Friday.
