

Dear Parents and Year 6 here are our topics for this term.

Were the Vikings always victorious and vicious?

Please use it to aid your own research or bring things into class to support your own learning. Our Christian value is Service.

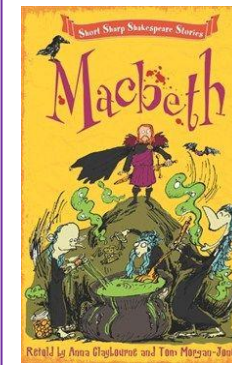

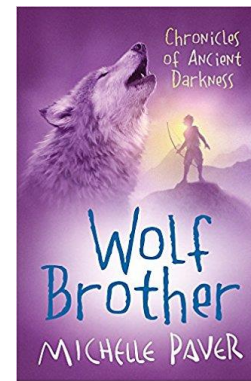

As Artists we will:

Study Damián Ortega and produce intricate patterns using clay to create Viking weapons.

As Mathematicians we will:

Study fractions, decimals and percentages. We will explore algebra as well as measurement and ratio. We will use a reasoning and problem solving approach involving the four operations of addition, subtraction, multiplication and division..

As Authors we will:

Write advertisements, invitations, narratives and poetry using the books, 'Wolf Brother' and 'Macbeth' as a basis for our ideas.

As Scientists we will:

Learn about light and explore evolution and inheritance.

As Designers we will:

Design and make a Viking meal.

As Christians we will:

Compare and contrast differing views of creation through a bible approach and a scientific approach.

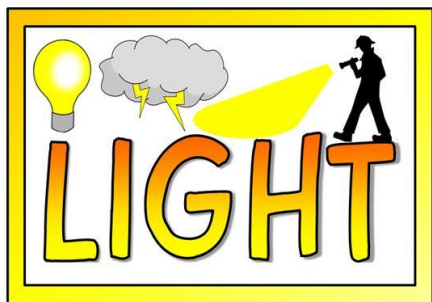

As Athletes we will:

Participate in outdoor adventurous activities and learn and play cricket.

As Readers we will:

Read for meaning by answering questions about the text to show good understanding and comprehension. We will focus on grammar and explore the meanings of different words to broaden our knowledge.

As computer planners we will:

Develop and market apps.

As French linguists we will:

Learn about going to the restaurant and café culture.
