Class 2	97.5%	2.0%
Class 3	100.0%	0.0%
Class 4	99.1%	0.0%
Class 5	97.1%	0.0%
Class 6	96.7%	0.0%

A HUGE well done to all the children for their fantastic performance in **Rock Challenge** last Friday where they gave their very best and came third overall. I was so very proud of them all. For me the greatest achievement of the day was being awarded the 'Spirit of Rock Challenge' award for the best behaved and friendliest school in their heat, voted for by all the other competitors. A great deal of work has gone into this event, led extremely proficiently by Miss Eve and I would like to thank the following people for their support also: Kerry Moore and Kerry Mather for all their dedication, Steve Scales for the time he committed to painting the great scenery, Wayne Bell, Russell Mather and Stuart Moore for the props and stage crew help on the day, Mrs Greenbank and Ms Ford for costume support, Thompson Haulage for the loan of their van and any other parents who provided sponsorship and support on the day. We couldn't have done it without you!

Good luck to all our children who are taking part in **Sing Up** at All Saints Church this evening. It's always a lovely evening of song and spending time with children from all our Cockermonth Consortium of schools.

Have a look on the website for this term's **curriculum map** for your child's class and see what they are going to be up to.

A great time was had last week by children in **Class 5** who went on their **residential** to Derwent Hill. They were all well behaved and enjoyed the activities on offer in a lovely setting near Derwentwater.

Thank you to **Mrs Magrath** who has been an STA in Class 6 since September and is leaving us this week. She has been covering Miss Vevers maternity leave and has done a great job supporting our Year 5/6 children and fitting in so well with the team here in school. Miss Vevers will be returning following the half term break, meanwhile Mrs Fitzsimmons will be moving to Class 6 to cover her role.

A reminder that **Year 4 have Forest School** this Thursday afternoon.

We are desperately short of **drivers for the mini bus** as there are many staff who are unable to drive it due to not having a Category D on their licence. This may affect many of you parents due to the year you passed your driving test. If you or any of your relatives/friends do have this category and are willing to drive the bus please contact Mrs Bryden in the office. We would need to apply for a DBS Enhancement for you and some training would be provided. We would also need a copy of your licence.

It's **orienteering** at Keswick School this Wednesday so return to school will be approximately 4.30pm.

Don't forget the **Book Fayre** in school at the end of the day today and Wednesday...lots of great books to be had at great prices too.

The **OOSC** is often full during morning sessions therefore if you are not a regular user of the club and haven't pre-booked a place for your child on a given day and ring at short notice we may not be able to take the booking.
