

Upper KS2 Overview

Summer 1

As Historians we will learn about the history of North and South America. We will look at tribes and historical cultural beliefs.

As Geographers we will focus on map skills and physical geography. We will locate North and South America on various maps and focus on specific locations such as the Amazon and Mexico.

As computer technicians this term, we will continue to learn about coding and how to debug an algorithm. We will detect errors and correct them in programs.

As athletes we will develop our ability to play competitive games such as tennis.

Social Moral Spiritual Cultural

We will reflect on the beliefs of ancient tribes and look at how their rules and beliefs have developed communities.

Knowledge and Understanding of the World

To develop our knowledge and understanding of the world we will discuss the global issue of deforestation.

North and South

America

Why?

We are learning about North and South America in order to develop our understanding of different cultures and beliefs.

Curriculum Drivers

Communities

As members of the community we will compare the life of tribes in the Amazon to our own lives today. We will discuss the similarities and differences in lifestyles.

As designers we will be creating our own pastel images on the Amazon rainforest.

In SEALs our theme is 'Good to be me.' We will look at what we do well and our skills and attributes. We will celebrate our differences and similarities.

During Physical Education we will be developing our athletic ability.

As Musicians we will develop our ability to use tuned and un-tuned percussion instruments in order to create tribal music.

Extra Curricular

After School Clubs - booster groups.

Emotional Awareness

In our emotional development we will continue to learn about mindfulness and how to develop gratitude and a positive mind set. We will focus on controlling our breathing to de-stress.
