

25th April 2018

Dear Parents and Carers

As you are aware, to celebrate the London Marathon we are going to have a little fun run of our own!

As an active school, weather permitting, our children in Year 1 to Year 6 will take part in a run (or walk) on our school grounds on this Friday 27th April 2018. Foundation children will follow an obstacle course during the morning on the astro turf. We will send a text if we have to postpone due to the weather.

The children can come into school in a tracksuit and trainers (please no new ones as the course will be around all of school grounds so older clothes will be much better) or they can take part in their PE kit. Entrance fee is £1 and there will be small prizes for best effort, there will even be a prize for best effort amongst staff!!

Any money raised will go to support our chosen charity "An Hour for Others"

Please complete the pro forma attached and return to school tomorrow if you would like your child to take part. We are hopeful all our children will join in as we are part of the Healthy School's initiative.

Thank you for your generosity
