St George's Day

On Monday we celebrated St George's Day as a school through a wealth of learning activities.

The children in Nursery, Reception and Year 1 made English flags and shields alongside learning the myth of St George and the Dragon. In Year 2, the children learnt about the Fundamental British Values linked to the story of St George with Year 3 expanding on this and linking the British Values to the values that St George upheld.

Children in Y1 show off their St. George's shields.

Reports were written about the story of St George in Year 4 and Year 5 created a PowerPoint biography of his life.

Year 6 accomplished a research task about St George and then created factual posters about him

as well as completing a comprehension activity.

The children had a fantastic day and can now speak comprehensively about why we celebrate St George's Day in England and in a number of other countries.

Sports: North Solihull Finals

On Saturday April 21st, our girls and boys Y5 & Y6 4-a-side squads qualified for the North Solihull area finals.

The top 8 teams in the league qualify for the finals. The girls finished 8th and the boys were runners up in their league, missing out on top spot by 1 point! So both squads qualified for the finals on Saturday at North Solihull Sports Centre.

The girls tournament kicked

off at 2:45 and despite none of our girls playing for Saturday league teams and only having 4 players were not out classed by any of the teams there. The team showed a great attitude and worked really hard on a very hot day.

Team; Lola, Amiee-Lea, Millie and Boe.

The boys competition kicked off at 5pm. In the group games the boys won 2 and lost 1 match so qualified for

the semi finals. We were drawn against Kingshurst Primary in the first semi final and narrowly lost 1-0 to the tournaments eventual winners. The boys also showed great attitude and never gave up.

Spike, Alfie C, Callum S, Joe and Shay.

Both boys and girls teams were a credit to the school.

Sign-in, Nursery gate & pupil mobile phones

“Thank you to all of our parents. Your positive response to the changes in our morning routines means entry into school is now smoother and safer for your children”

Parents and visitors who have been to the school this week will have noticed that we have a new signing-in pass system.

This is a development of our safeguarding systems and ensures that any adult in the building, whether staff or visitor, has visible identification at all times.

For adults who are not entering the building and are,

for example, waiting to pick up a child we have added some seats to the sign-in area for your comfort.

On a similar subject, Nursery has trialed keeping the side Nursery gate locked in the mornings which has helped keeping that corner (which is so close to the entrance) secure.

Next week we will be sending a letter home with upper

Key Stage 2 children giving details of how we will manage pupil mobile phones which are brought into schools with parent permission.

If your child brings a mobile phone to school, please look out for the letter as it will have a parental response and all children will be expected to follow the policy.

More Sports: Football and Tennis!

On Friday April 28th we were invited to the Warwickshire year 3 & 4 Five a side football finals at the AT7 centre Bell Green Coventry.

We were up against some of the very best teams in Warwickshire. Despite not hav-

ing a training session as a team the boys, George, Louie, Will, Reece and Zane, gave a good account of themselves.

After that on Tuesday April 24th our year 3 & 4 tennis squad played in a tournament at the Kingsbury Community Sports Hall.

The team won 7 matches and finished runners up.

Well done to Charlie, Charlie, Isabelle and Adam who were excellent ambassadors for Coleshill Primary School.
