Welcome back to Term 5!

Dear Parents and Carers. Welcome back. We hope you have had an enjoyable Easter Break. This term the children have already been busy beginning with exciting stunning starts to their new learning journeys. Well done to all those children who have already received Headteacher stickers this week for amazing work. I am thrilled to say I have given away loads! Wren Class have been busy telling the time. Robins have been writing letters to the new royal baby Louis, telling him all about their learning journey this term, Frozen Planet.

Woodpeckers have become Adventurers, working on creative descriptive Paddington stories and exploring 3D shapes. Kingfishers have been developing their writing skills with imaginative story starts, packed with dramatic tension and atmosphere, as well as exploring decimal numbers in maths. Owls have been busy preparing for SATs, as well as designing London scenescape paintings and flag designs with a Union Jack theme. It has been wonderful visiting each class and seeing the children so engaged, and enthusiastic in their learning. Thank you to all of our dedicated staff who have been busy over the Easter Break preparing these learning opportunities for our children.

We are celebrating attendance at **Bonnors CE Primary School** and have introduced our new initiative to increase our whole school attendance, where the children gain certificates and rewards for improved attendance, individual and whole class. Encouraging regular school attendance is one of the most powerful ways you can prepare your child for success—both in school and in life!

For the best class attendance all week receiving Leo Lion Award: Wrens 96.61% Well done!

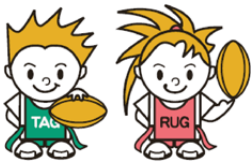

School Uniform and PE kit

We believe that wearing a uniform encourages pride in personal appearance and a feeling of belonging to the school community, so we continually monitor for smart appearance during our weekly celebration assemblies. We would like to remind the girls that small hair accessories need to be consistent with the school colours and black school shoes should be worn and not trainers. Now that we are in the summer Term and sports day is fast approaching, please make sure that your child has their P.E kit in school every day and to check that plimsolls still fit properly.

Look for information about the next FOB's uniform sale if you missed the Friday sale!

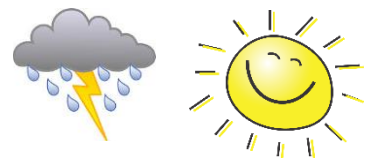

Bonnors Sport News- Tag Rugby

After winning the Uckfield Schools' Rugby Tournament at the end of last term, Bonnors took part in the North Wealden Schools' Tag Rugby finals. Mrs Hart reported back 'Each game was really close and we played really well as a team. The team also looked great in their smart team kits.' Thank you to Mrs Hart for organising this event for the children and to all the parents who supported the team at the Rugby Club.

Sunscreen, water bottles and changeable weather

Just in case it suddenly gets warm and sunny again, please note that long-lasting (6-8 hour) sunscreen, which does not need to be reapplied during the school day, should be applied to the children at home, before coming to school. Children may keep sunscreen in their bags but staff are not allowed to apply it for them. Sunsticks are better – less sticky hands! Please make sure that children have their school jumpers and waterproofs for all those rainy days.

Please ensure to provide a water bottle for your child, so they can drink water regularly throughout the day. A reminder that bottles should be filled with water and not juice.

Thank you
