

Dear Parent,

I would like to make you aware of an exciting sporting programme that launches on the 11th May 2018 - All Stars Cricket!

Somerset Cricket coaches have been coaching in your child's school this year and we wanted to let you know about opportunities that exist to play the sport outside of school.

All Stars Cricket gives girls and boys between the **ages of five to eight** an opportunity to become a star through the curriculum of fun cricket activities and exciting games. These provide your child with the basic movement skills to begin a lifelong love of our sport and more importantly, general physical activity.

Over the eight-week programme, the trained activators will teach your child to:

- Catch and throw a ball
- Hit a moving ball
- Bowl with a straight arm
- Play a basic game of cricket
- Work and communicate as a team
- Have lots of fun with new friends

Held at accredited cricket clubs, these courses are the perfect way for your child to learn about cricket and make friends in a safe and fun environment.

The programme costs £40 for which each child receives an All Stars Cricket branded pack, including a **cricket bat, ball, shirt, cap, backpack and activity book.**

All Stars Cricket is also fantastic for parents, mums and dads are invited to get involved and play with their children during the session too. We want parents to enjoy playing with their child because this means they are more likely to play together away from the cricket club and build a lasting physical education relationship.

To find you nearest All Stars Centre and booking information please visit:
