SCHOOL NEWS

Thank you for attending the parent evenings this week. Hopefully, after receiving the reports at the end of last term and having the opportunity to meet with teachers this week, you have a clear understanding of your child's attainment and progress.

Working in partnership to support your child at school is fundamental to their success, please speak to their class teacher if you would like any ideas or resources in order to help them at home.

We are always looking for volunteers to help in school. If you could spare a few hours each week please speak to Miss Whiteman in the school office. Thank you.
