MATHS OPEN MORNING....

A big thank you to all the parents, carers and family members who joined us at our Maths Open morning today. It was lovely to see so many of you working with the children in classrooms learning the Reigate way of calculating. As always, thank you for all your support, we really appreciate it. We look forward to seeing you at the next one.

Head of School

PEOPLE WHO HELP US.....

FS1 enjoyed their visit from PC Hobson last week. They were able to try out some of the police uniform and equipment. The children had lots of interesting questions to ask PC Hobson and learned lots during the visit.

SAFEGUARDING

We are increasingly concerned at the number of children - especially in the infant classes - who are re-enacting an online game which has an age limit of 12. This game allows children to send and receive messages from other players. Please talk to your children to ensure they are safe. We will send the name out to you through Group Call tonight.
