Dear Parent/ Carers

YEAR 5

VISIT TO WASHINGTON WETLAND CENTRE – FRIDAY 8TH JUNE

As part of next half terms Year 5 topic, we have arranged an educational visit to Washington Wetland Centre. During the visit the children will take part in a range of workshops linked to the life cycle. The children will have the opportunity to learn about animal life cycles, habitats and explore the park.

The cost of this visit is £8.00; all visits are subsidised by school but without substantial voluntary contributions from parents the visit will not be able to go ahead. Parents in receipt of benefits entitling their children to free school meals are invited to contact Mrs Moran, Business Manager, to discuss voluntary contributions.

Children will need a packed lunch for this day (no glass bottles please); if they stay for school dinners they will only require £8.00 for week commencing Monday 4th June. Children who are entitled to free school meals can be provided with a packed lunch if requested in advance.

Children need to wear suitable clothing and footwear appropriate for the weather conditions, please remember to apply sun cream.

A maximum of £5.00 spending money is suggested.

Please return the slip below as soon as possible. Thank you for your support.

If any parents would like to accompany this visit, please circle as appropriate on the form below.
