

CLIFFE WOODS PRIMARY SCHOOL

10 May 2018

Dear Parents

FESTIVAL OF SPORT – FRIDAY 6 JULY 2018

After last year's success of our first Cliffe Woods Festival of Sport, we're excited to be getting closer to the date of this year's event.

The festival will take place on **Friday 6 July** (Friday 13 July as a reserve date) and the format of the day will be competitive activities for KS2 in the morning and fun activities for KS1 and FS in the afternoon. During lunchtime, we would like to invite families to spend time with their children on the field enjoying a picnic and participating in some organised activities.

Prior to and on the day of the event, children will be provided with a programme containing the schedule for the day. On this programme, we are hoping to be able to advertise local companies as supporters of 'Cliffe Woods Primary School Festival of Sport'. The company logo will be printed at the bottom of one of the pages within this programme. The cost per company will be £30 and space will be limited to 12 companies.

We hope that you see this both as an opportunity to promote your company locally (with an expected distribution of approximately 500) and to help our school raise funds to reinvest in PE provision to help create a lasting legacy. We already have plans as to how we want to invest the funds generated and can't wait for these to come to fruition.

We hope that you or someone you know may be able to help us achieve our fundraising goal, so please contact us if it sounds like something in which you may be interested.

Yours sincerely

Mr M Evans
PE Co-ordinator
