

## **CLIFFE WOODS PRIMARY SCHOOL**

10 May 2018

Dear Parents

### **Y1 WALK AROUND CLIFFE WOODS**

In Year 1, we have been learning to compare physical and human features as well as naming flowers and plants.

To illustrate this further, we intend taking Y1 children for a walk around Cliffe Woods sometime during the week of 14 May, so please ensure your child has a coat in school during that time.

If you have any questions or concerns please don't hesitate to speak to your child's class teacher.

Yours sincerely

**Miss Yaxley, Mrs Bishop & Mrs Greening**
