

Weekly Summary – 14/05/18

VALUE OF THE WEEK:

Importance of Play

- **What do you think about your right to play?**
- **Do you think you should have a right to play? Do adults have a right to play? Can you explain why?**
- **How would you select your choice of play during the school day?**
- **What would it be?**
- **How does play help you? How does play help adults?**

Article 31 - You have the right to play and rest.

Article 32 - You have the right to protection from work that harms you, and is bad for your health and education. If you work, you have the right to be safe and paid fairly.

Looking ahead to next week
