Dear Parents,

Welcome to the weekly newsletter.

The children across the school are all busy learning their May Day dances and rehearsing for the pageant. Thank you for all your support regarding the donations and offers of help running stalls, baking cakes and setting up on Friday afternoon and Saturday morning.

Unfortunately the Bell Public House will not allow us to use their car park this year due the popularity of the Royal Wedding and the F.A Cup being on the same day. Please look for alternative parking at the commuter car park and respect the village community by not blocking drives.

On Friday 18th May we will be holding a tea party to celebrate The Royal Wedding. The children may all wear clothes in red, white and blue to school on this day. Please could you provide them with a small box of cakes, crisps or picnic type food to share amongst all the children for the afternoon.

The learning has been fantastic across the school this week.

In Fir Tree class the children have all been busy learning about sharing amounts of objects and numbers.

Forge class have been learning about directions in maths.

In Hurstwood class the children have been writing reports about Rainforest Animals.

Kemsley class have been writing amazing, detailed news reports about the robbery at Gringotts Bank from Harry Potter.

Oakwood class have been designing board games, using their knowledge of circuits in science. Parents, grandparents aunts and uncles are invited to join in making their games on the morning of 24th May.

Well done to the hockey team, who played their final match of the tournament yesterday, which they unfortunately lost 3-1. They came 10th overall, a really good result.

On Saturday the football team played the winners of the other small school county winners at Thamesmead. They all played incredibly well and showed the 'spirit' of Bredhurst throughout all their matches. They were unfortunately not successful in getting through to the next stage of the competition, but should all be incredibly proud of their achievements. I know we are all extremely proud of each and every one of them.

We are thinking of our year 6 children for next week. We know they will find the week a little stressful, but they are all completely prepared for 'the week' as they have named it! Just remember Year 6, you have all tried your best to achieve your potential during this week, however this one week doesn't define you as people, each and everyone of you is a true asset to the school and you all have your individual talents across the whole curriculum.

Make sure you relax, sleep, eat and enjoy yourselves this weekend; no homework and no revising!! Head teachers orders!!

Best Wishes

Michelle Cox

May Day — Help needed

If you can help with any setting up for May Day especially to erect the stage and castle backdrop your help will be appreciated. The school will be open from 8.30a.m. for setting up.

We are looking for a few parents to help with the Marshalling for the parade on May Day. If you would like to help with this please give your name to Mrs Sage in the office.

We are still a little short for the children's/adult tombola so any donations of bubble bath, alcohol or unwanted gifts for adults or cuddly toys, fruit shoots children bubble bath etc. for the children's tombola would be gratefully received.

Village News

This year instead of the village summer fete, St. Peters church are holding a **children sports and games event**.

This will take place on **Saturday 4th August 2p.m.—4.30p.m.** at the village hall/field. The aim is to give families an inexpensive trip out during the holidays.

There will be all the usual races, extending the age to 13 and under and a particular feature will be a penalty shoot out competition for 16 years and under with medals and a trophy. Lots more on offer—more details nearer the time.
