Message from Mrs Mills

Another fun filled week at Cuddington with happy children in and out of school!

Our Year 4s have been to Conway for 3 days and have had a fantastic time away. Huge thanks to Mr Caldwell for organising the trip along with Mr Hutchinson, Mrs Austin and Miss Michiels who have all spent time away from their own families to ensure the trip was a success! ☺

Miss Knight has taught all our Year 3s, where they have taken part in Orienteering, Dragon Art and a Grand Bake Off - Mrs Williams was our very own Mary Berry.

Our Year 5 and 6 football team played a game against Rudeheath Academy - Cuddington won 4-2. Thank you to all our parents that helped with transport and went along to support our team.

Class Structure September 2018

Now that we have an indication of the number of children joining us in September, Senior Leaders and I are now in the position of organising a class structure for the next academic year. Governors are keen to ensure that class sizes remain small for another year, as this has had such a positive impact on standards across the school. Parents will have the final details after our Whit Holidays and after approval by our Full Governing Board.

Year 6 SATs

Next week (week beginning 14th May), all our Year 6 children will be taking their Statutory National tests in Reading, Maths and Spelling/Grammar. There will be 5 tests in total over 4 days, so please join me in wishing them all a HUGE GOOD LUCK. Miss Norris has prepared them well along with support from Mrs Yardley. I have also been responsible for helping with some aspects of Maths - so it has been a great team effort. Early nights all round please next week!

Year 2 SATs

Week beginning 22nd May, our Year 2 children will be sitting their statutory tests in Reading and Maths. Therefore, it is really important that all our Year 2 children attend school each day during this week as they will be completing their texts in small groups across the week. Early nights that week also!

Gala Day: Saturday 9th June

The Cuddington and Sandiway Gala is a brilliant community event, and there are lots of ways in which we can all get involved:

You could nominate a young person for the Junior Citizenship award, or you could make a scarecrow on this year's Gala theme of Cinema. Further details of both are available on the forms emailed out with Newsletter. Also, the PTA will be running four stalls this year to raise funds to support our children's education, so will be looking for volunteers to help out on the day. Save the date, and watch out for further information coming soon.

Year 6's final payments due for **Min-y-don** please settle any outstanding balance due by Friday 18th May. Thank you.
