Year 4 can take part in **Saturday cycling** if they haven't done their bikeability training. They will need to return the form tomorrow and bring their bike to school on Monday 21<sup>st</sup> May and I will take them for a short session on the road during lunchtime and check their bikes are compliant. Please ensure you check their bikes before then. Thank you

If your **child has an accident** in school and is either sent home as a result of this or stays in school and then subsequently you then need to take them to hospital or your GP, please can you inform the office of the outcome of this visit. We can then update our accident book accordingly.

**Reception parents** are invited to have a **school lunch** with their child on Tuesday 22<sup>nd</sup> May at 12 noon. This will give you the opportunity to sample at first hand the quality of the lunch in school and also gain an insight into the system we operate at lunchtime. Please return the slip below with your menu choice on or before Thursday 17<sup>th</sup> May, paying £2.25 online before you send the slip back.

**Apologies if the texts** you are sent may seem abrupt at times...we only have a limited number of characters to convey what can often be a long message therefore we have to use words sparingly!

You are all welcome to **Class 3 assembly** in school on Friday 18<sup>th</sup> May at 9.15am.

Don't forget the **red/white/blue themed day** this Friday and please send your themed cakes/biscuits etc into school on Friday morning, labelling all tins clearly if you would like them returned. Thank you.

Apologies for the fact that **Forest School** activities have been limited to the school grounds last week and possibly this week too. We are currently having technical difficulties with the minibus but hopefully it will be returned to school soon, fully repaired.

✂ .....

I would like to join my child ..... for school lunch on Tuesday 22<sup>nd</sup> May and confirm I have paid £2.25 online.
