Friday 11th May 2018

Dear Parents/Carers,

Well it has been a really busy week – thank you for your support during this transition for the school.

The Year 2's have demonstrated an excellent attitude to learning during their SATs and Mrs Walker is very proud of them. They had an ice lolly treat from FOCS on Thursday to celebrate completing them!

We were also really pleased to welcome Mrs Springett (Head of School Improvement for DGAT and a regular visitor to school) to lead Worship on Wednesday. She gave each child a stone and asked them to look at it carefully and identify with their partners the similarities and differences. They then looked at the physical differences between each other and Mrs Springett spoke about how we are all similar but made beautifully unique by God. We also talked about the power of us working as a group – the Coaley family.

We are having a real focus on uniform at the moment – encouraging our pupils to take a pride in our school. They still need a lot of reminders – especially about tucking tops into our trousers! Please support us with this by ensuring that your child is in the correct uniform – if there is a reason why they are not please come and talk to us.

We have started having a clean-up of the school – you will see that we have hired a skip! You may have seen the volunteering letter that went out yesterday – one of the requests is a team to help paint the reception and hall areas. If you can help please complete the slip on the letter and return it to the office. Thank you.

Further to requests by the Parent Forum to improve communication, we intend to have a weekly newsletter and also extend our invitation to parents to the Celebration Worship on a Friday every week.

I very much look forward to getting to know you all personally – please be assured that I have a very much open door policy and welcome you in at any time.

Have a lovely weekend,

Jackie Kelly
