

# Reinwood I&N

Dear Parents,

The circus last week raised £2410.34 for PTA funds, so a 'BIG THANK YOU' once again! Next week is Healthy Week in school and we will be doing lots of fun activities as part of this, such as - skipping workshops and some Taekwondo. Please don't forget to send your slip back on Monday to join in the 'Skip 2B Fit' workshop on Wednesday, 16<sup>th</sup> May 3:25-4pm. A fun skipping workshop to take part in WITH your child!

## Important Reminders/Information

3:25pm  
School closes for half term.

**Advance Notice - Blackpool/ St Anne's Year 2 Trip**  
This is now booked for Wednesday, 20<sup>th</sup> June, 2018.

Welcome to our new 'Parent Governor': Mrs Angela (Ange) Clow  
Here is a little bit of information about her!

"I believe that every child deserves the best start in life and a well-balanced education, which supports their emotional and social needs as well as their academic potential, it's crucial in a child's formative years. My son is in Year 1 and, like every other parent, I want to ensure that he has a positive and safe environment to allow him to reach his full potential.

I work at the local hospital in a quality and patient experience role, which involves monitoring standards and identifying areas of improvement. I believe that these skills would make a valuable contribution to the Governing Body and I value the opportunity to work with Reinwood Infant & Nursery School to support and uphold the excellent reputation it has."

**Reception Trip** - Just a reminder to be at School for 8:40 on Tuesday morning. The trip gets back in time for the end of the school day. Thank you.

### Sun Cream and Water Bottles

In the hope that the summer weather will continue, please ensure that your child comes to school wearing sun cream on sunny days! If you would like them to re-apply it during the day, please send it in a labelled bottle and remind your child it is for their use ONLY. Please ensure that your child has a named **water bottle** in school with fresh water in it DAILY. Children may fill their bottle up during the day in school and are encouraged to do so to ensure they are kept hydrated.
