15th June - INSET day

Sponsored Walk – Please spread the word!

Robert Fussell (Mrs Fussell's Husband) is undertaking a sponsored walk to raise money for FOMCU. Robert said, "This walk is 100km from Poole to Bridport it will be tough but worth it knowing I have helped these children with new play and sensory equipment." Please share with friends, colleagues and family and let's try and beat the target of £500.

The direct link to his page is <https://mydonate.bt.com/fundraisers/robertfussell1>

Congratulations!

We are very excited to announce that Mel is expecting a baby and therefore will be going on maternity leave at the end of next term. She is looking forward to returning but will be away for the first part of next year. We wish her the very best and will miss her lots next year. We are making arrangements for staffing and class structure for next year and will be letting children and parents know plans over the coming weeks.

School Council

Update from school council this week. We have seen our first success!! We have had a suggestion from one of the children that they would like to see a return to the menu of Chocolate Ice Cream.

FOMCU – SAVE THE DATE

Many thanks to those parents that attended the AGM, unfortunately we did not have enough parents there to hold an official AGM. We did however make plans for a BBQ at the MCC. There will be more details to follow but the date is Friday 13th July.

Reading at home

Many thanks for your support with their learning as together we can achieve the very best for them! For interactive online books, have a look at the Oxford Reading tree website <https://www.oxfordowl.co.uk/> login details are Goldclass123 password:Learn@home

Parent Support

Bridget Crawford, our wonderful TA in Gold class, has offered to be a port of call to all parents/families to help with giving information on access to benefits, support and discounts that are available to families of children with autism. Bridget herself is a parent of a former pupil and understands the difficulties that families can go through. She is a wealth of information and is always happy to chat either at drop off or pick up or at Saturday club.

Have a lovely weekend, Thank you, Michael Bogg, Centre Manager

Be Kind. Try hard. Do your best.

Be Kind. Try hard. Do your best.

Silver Class –Silver Class have been extremely busy getting ready for the “Art Café” We have been papier mache-ing, making stained glass, creating jewellery and cooking. All with an Ocean theme. We look forward to showing this off next week.

Gold Class – Gold class have been busy creating art work to sell next week at the 'Art Cafe'. In science we have grown our own cress and spinach from seeds. Knowing what plants need to survive we

have cared for them and watched them grow. We followed instructions to make an egg mayonnaise and home grown cress sandwich. In topic we have continued to learn about the history of seaside's including what clothes people wore, transport etc. We are becoming experts in spotting differences between the old and new seaside photos.

Platinum Class – This week the children have been going into more depth (no pun intended) about Oceans! They enjoyed watching the Blue Planet and are looking forward to next week when they have an opportunity to research an area of their choosing. They also had a wonderful science lesson with Heather investigating different materials.
