St. Anselm's Catholic Primary School

11/5/18

Dear Parents

I was very proud of the children at Mass yesterday. During his wonderful sermon, Fr Phil asked a number of questions about the Ascension and the children were able to give very insightful answers. This is, of course, a result of the religious education they receive at home and in school. One of the things we have focussed on this year in school is the development of a creative approach to RE and many of the children have been able to draw and explain their own interpretations of values and religious events. Here are a couple of examples:

My picture shows forgiveness because the person on the mountain didn't give up when they had to climb. The bright colours show that God will always forgive you. The mountain is as high as a person can get to reach God and ask him to forgive them. God will forgive whatever you have done.
Julia - Year 3

My picture represents the light that shone so bright when Jesus rose from the dead. The darkness in the background shows the sorrow of when he died. To me, the resurrection means that whenever it seems like hope is lost, there is always one more bit of light, or the power of Jesus Christ.

Rory - Year 4

Sports day will soon be upon us. The day will follow the same format as previous years. We will be based at The Tooting Athletics track for most of the day and parents are encouraged to come along. Further details will follow. We will need parents to help us to walk the children to the track so please let the office know if you are able to do this.

Thank you to all of you who have worked so hard to organise the May Fair. We are all praying for good weather, and I'm sure it will be a great success as always.

Well done to those children who completed and returned The Wednesday Word this week and who were entered into the prize draw! We will draw two winners each week.

Thank you to reception who reminded us during their assembly that May is dedicated to Mary.

Best wishes

Hattie Elwes
Headteacher

Summer Term Dates

May

13th May Fair 12:00 – 4:00

16th Year 1 class assembly 9.30

28th Half-term
