Head Teachers Awards

This week's awards were presented to:-

Bluebell - Florence Barclay and Nathaniel Fletcher
Conygar - Noah Petty and Jack Vailes

Welcome back, I hope you have all had a great half-term holiday and saw some sunshine. Your children have returned ready to learn and everyone is looking forward to all we have in store for the rest of the term.

New Reception Parent's Evening

It was lovely to welcome our new families to St Mary's yesterday evening, they are all delighted that they have been offered a place at here and are looking forward to joining our school community. We have 11 children officially joining us in September and we may gain a few more before September. Every new family was represented and they were able to hear from Governors, FOSMS, the class teachers and the School Nurse. Thank you especially to Nicola Barclay and Craig Thomson for their time.

School Disco

Our school disco is as popular as ever with many tickets sold and many conversations about the disco taking place across the school this week. Thank you to FOSMS who are amazing at organising all these events for the children, which help build our school community and raise money for the school at the same time.

Safe Playtimes

All the children in KS2 have been reminded about ensuring the safety of everyone at playtimes. They have been reminded that any rough play is not allowed in school. The children have also been reminded how hard the field is and to think of the field surface as being as hard as the front playground when playing their games. Please can you follow this up at home so we can finish this term without further injury

Pen Recycling

St Mary's is working in conjunction with Turn the Tide Portishead to recycle used pens. There is a collecting box in the office which can be used for any brand of pen, biro, marker, highlighter or tipex/correction fluid pot. This is an ongoing scheme so please bring in any pens from home which can be recycled.

Dates for your diary:
