- Weds:** **Netball**  
Cricket - Weather permitting  
Edible Explorers
- Thurs:** Cheerleading
- Fri:** KS1 & Y3/4 football (Pro Sport)

### Parking Near School

As the Co-op car park is now open, please could I encourage parents to use the free two hour parking available on there. It is a short walk across the zebra and through the church yard to get to school. Parking has become increasingly difficult on Church Lane and down The Sands since the parking restrictions were recently introduced on the main street and there has been an increased number of vehicles belonging to people who work in Whalley parked around school. Please can I also remind parents that the Abbey is a private property and parking on their car park is restricted to visitors to the Abbey and café only.

### Sport Day

Next Friday (15th June) is Sports Day and I would like to run through a few details regarding the day.

In the morning, the children will be competing in their key stages at school field down The Sands between the Gate House and Whalley Arches.

Key stage 2- 9.20 to 10.20 and Key stage 1- 10.45 to 11.45.

The Friends will be selling refreshments down at the field. If you wish to sit, please bring your own deck chair.

In the afternoon, the whole school will be competing at the same time in a multi skills event at school on the field and playground. This will start at 1.30 and run for approximately an hour and a half.

The Friends have arranged for drinks, jacket potatoes and hot dogs (with real sausages) to be available and there will also be a bouncy castle.

Representatives from the new Co-op will also be present at both venues and we hope they will have face painting available for the children. These post-sports activities will run until around 5:30pm. .

For both parts of the day, you are invited to come and support your children. To ensure the events run smoothly, I have allocated specific 'Parent areas' where I would appreciate all parents to remain during the day. The teachers and teaching assistants will look after your child as normal, ensuring they have access to water, toilets and any additional requirements your child may have.

I would also like the children to come school wearing a tee shirt that is the same colour as their house team. Any t-shirt is fine, as long as the predominant colour is that of their team. Please can I also ask that you ensure that your child comes to school wearing sun lotion, has a hat and they have a drinks bottle.

Thank you for your continued support

Mr Todd

Mon	Tues	Weds	Thurs	Fri
