

Erratum

### **Quad Kids**

We were informed after the Flyer went to print that a technical error had been made in the scoring system on the day of the Quad Kids competition. Other schools queried the results and after they were scrutinized, it was found that some scores had been missed. The inclusion of all the relevant scores meant that another school jumped up to 1<sup>st</sup> place nudging Foxmoor's year 4 team into 2<sup>nd</sup> place and our year 3 team into 5<sup>th</sup> place. As the County Finals are such a large event our Foxmoor B team will not be able to take part in them on this occasion but the children involved will be allowed to keep their medals. We are still very proud of each and every child who represented Foxmoor from years 3 and 4 and hope they will not be discouraged from taking part in future events.
