Goodbye...

Our wonderful placement student Nimmie is leaving on 20th June as she returns home for the summer before resuming her studies next year. Please do take the time to complete her online survey to assist her research project.

...Goodbye (for now)...

After many years of dedicated service to the Margaret Coates Centre and St Martin's Garden Primary School Nina is going on 12 month sabbatical to work in a specialised ASD school in Qatar. She intends to return after the sabbatical and we wish her the very best for the year away as she takes up this wonderful opportunity for professional development.

...and Hello!

We are looking forward to welcoming Stephanie Dodge to the Margaret Coates Centre, she is a highly experienced teacher who has experience working across KS1 with a range of needs of children. You may have already met her at one of our recent Saturday Clubs. She has been visiting the centre each week to get to know the children and systems and processes and is extremely excited to be joining the team from September covering Nina's role while she is away.

We will be welcoming two new Psychology undergraduate students to join us in September student Teacher Assistants: Jessica Carson and Megan Popplewell.

despite what the original letter stated. However there has not been much interest so please let us know by next week if you would like your child to perform.

Have a lovely weekend, Thank you, Michael Bogg, Centre Manager

Be Kind. Try hard. Do your best.

Little Dancers dance performance

Another chance to performance the Dance Umbrella routine on 14th July. Parents would need to be responsible for their child and provisions will be made to ensure you can be together despite what the original letter stated. However there has not been much interest so please let us know by next week if you would like your child to perform.

Surfers against Sewage

We made £125 which is incredible. If any parents who had art work sent home and have not yet donated and would like to, please do this soon as we will be sending the money off next week.

School Council

Update from school council this week. The children have suggested a Maths themed day which has been timetabled for July, a MCC Movie night and also we have joined the Diary of a Wimpy Kid Book club.

Silver Class – Silver Class have been extremely busy getting ready for the “Art Café” We have been papier mache-ing, making stained glass, creating jewellery and cooking. All with an Ocean theme. We look forward to showing this off next week.

Gold Class – At the end of last term to finish off our topic on seashores we made and enjoyed homemade chocolate ice-cream! We enjoyed a treasure hunt to start off our new topic on Pirates as well as writing our own imaginative stories based on the video clip ‘Something Fishy’. For the garden competition we have made prints using vegetables in the style of Van Gough's Sunflowers.

Platinum Class – Platinum Class have had a wonderful start to the term as they ready themselves to defend the Bath and District Horticultural Society School Gardening Cup. They have also written wonderful adventure stories and are all set for camp!
