## **Summer term fun!**

Thank you to everyone who attended sports' day and the summer fair this week, both events were so well supported! Congratulations to Ennis Hill for winning and a big well done to all pupils for showing passion, determination and perseverance!

School council enjoyed a trip to the market square today to greet Prince Charles and Camilla as they made their way to the Guildhall. Several children shook hands with Camilla! They also enjoyed a hot chocolate in 'Bills' where they received great service and made us feel so welcome – we were grateful for their generosity.

## **INSET Day**

Reminder, Monday 25<sup>th</sup> June is an INSET day therefore pupils are not expected in school on this day.

### **A message from the school nurse:**

Whether you're heading to the beach, playing in the park, or out in your own garden, it's really important to think about sun protection for the little ones. Exposing your child to too much sun may increase their risk of skin cancer later in life, and sunburn can also cause considerable pain and discomfort in the short term. That's why babies and children need to have their skin protected between March and October in the UK.

1. Stay in the shade when possible - Stay out of the sun between 11am and 3pm. Use a parasol or play tent. Cover up with long sleeves and loose clothing.
2. Use a good sunscreen - Apply sun cream to all exposed skin 30 minutes before heading out. Use plenty and don't forget shoulders, back of the neck, tops of ears, noses, cheeks and tops of feet. Choose a sunscreen that has SPF of at least 15, and at least 4 stars for UVA protection. Top up every 2 hours, especially between swimming or paddling.
3. Always pack a sunhat - Use a floppy sunhat that protects the face and neck whenever out in the sun. Wearing a hat yourself can really encourage your child to follow suit.
4. Drink lots of water - Make sure there is access to water throughout the day, especially in warm weather and encourage regular drinks, particularly when running around.

Remember 'Slip' on a t-shirt, 'Slap' on a hat and 'Slop' on some sun cream!

For more information about staying safe in sun call and ask to speak to our School Nurses office on 0300 247 0090 or visit [www.nhs.uk](http://www.nhs.uk) and search sun safety tips.

## **Picnic and Play**

The next lunch is for Year 2 and this will take place on Wednesday 27<sup>th</sup> June.

## **Stay and Play**

Please join us on Friday 27<sup>th</sup> June for a 'Stay and Play' session from 9-9.30am. Please enter via the office and make your way to your child's current classroom. Their new teacher and teaching assistant will join you for some games so you have the opportunity to meet them and ask any questions.

## **School lunches**

Our school lunch provider, HS3C, is very interested in gaining feedback from parents about our school meals. We would appreciate as many parents as possible completing their short survey by clicking on the following link: <https://ccbshampshirecc.researchfeedback.net/s.asp?k=152768572070>

## **Announcement of New Parent Governor**

Following our announcement of parent governor vacancy, we have received one nomination. As the number of nominations is equal to the number of vacancies we are not required to hold a ballot. It is therefore with great pleasure that we welcome Kate Taylor to the Governing Body with effect from 1<sup>st</sup> September 2018.

**Head lice**

We have had several cases of head lice in school this week. Please take the opportunity over the long weekend to check and treat your child's hair. Please be reminded that children's hair needs to be tied back at all times, even on non-uniform days.
