OSGODBY PRIMARY SCHOOL

Is it really that time already?

As always, the weeks seem to be flying by at school. The summer term is always a busy one. Reports are being written, shows are underway, we have hosted our new children and our Year 6s have begun to attend their taster days at secondary school. We are making arrangements for summer fairs and leavers events. There is a lot to do before the end of July! Please read on to find out what is going on at the moment.

Meet the Teacher

As part of our transition arrangements, I would like to invite parents along to meet your child's new class teacher on Wednesday 11th July (3:10 - 4). Your child's new teacher will be on hand to say hello and to provide some valuable information for next year.

Cricketing Success

Congratulations to our girls cricket team who won the Wolds Cricket Competition last week. They will shortly be attending the county finals - well done girls!

Playground Development

We have recently taken delivery of two containers to replace our aging PE sheds. Mr Robinson has begun to demolish the sheds to make way for some new play apparatus.

We are hoping that the removal of the sheds will give the children more space to use during playtimes (especially in autumn / winter when the field can be very muddy).

Sports Day

The school will be hosting its annual sports day on Monday 9th July (9:00). You can expect the customary mix of races throughout the morning. Let's keep our fingers crossed for some sun!

Summer Fete

The PTA have been busy organising our summer fete. The fete will take place on Friday 29th June. There will be plenty to see. We also have some excellent prizes / auction items up for grabs (more details to follow).

Parent Forum

Our next parent forum will take place on Wednesday 11th July. Mrs Greig will be on hand from 2:00 to hear your views on development of the school premises including the school outdoor area and playground.

Book Drop Point

Thank you all for your kind book donations. The book drop point in the foyer has been bursting at the seams. Your donations are really helping us to achieve our aim of re-stocking the library.

Performances

You are all invited to join us for our summer performances later this term. Key Stage 2 will be performing 'Fleeced', a retelling of the 'Quest for the Golden Fleece' myth. Key Stage 1 will be performing 'There's a Sunflower in my Supper: an Environmental Musical'.
