

Dear Parents, Carers and Friends,

28th June 2018

On Monday 2nd July, we are expecting work to start on the Reception playground.

If all goes to plan, within two weeks (or less) we will have a brand new physical challenge 'playscape' (see the picture below). The governors of the school have worked really hard this year to identify and secure the funds we need for the project—and I am also grateful to the PTFA for their ongoing support and contributions!

For the duration of the works, the pedestrian gate from Mill Side and the entrance into school from the Reception playground will be out of use (as will that area of the staff car park). There will be safety fencing installed so this will be obvious to all. Therefore, children from classes 1 and 2 can use the 'Nursery Door' which goes straight into the cloakroom area as an entrance and exit while the work is taking place.

The pedestrian gate on Driffield Road (by the bike shed) should still be in use, and anyway entering school by that entrance will have to use the back doors by Class 4 to enter school. I will keep everybody updated if there are any changes.
