### Bronze medals for our gym team!

Our Yr5/6 level 1 gym team, who had won the North Somerset gym event, travelled to University of Bath on Wednesday to compete in a regional event with finalists from across the South West. The team included, Noah B, Esme C, Cally B, Amber S and Lily B.

With great focus, determination and a fantastic team spirit they completed their individual routines, which were scored by judges and the totals combined. To their great delight they achieved 3<sup>rd</sup> place and bronze medals!

This is such an achievement for our school, none of the gymnasts attend a club outside of school, only receiving coaching in school. We have been committed to the teaching of gymnastics for 5 years since we received PE funding and the high standard across the school is noted by all gym coaches.

Thank you to Mrs Wheeler and Mrs Sharrock who have supported the gym team throughout this year by accompanying them to events and giving them great encouragement and reassurance when they became nervous.

### St Mary's day out to Tyntesfield

Please be reminded that the whole school will be at Tyntesfield House next Wednesday. Parents can drop off in the car park between 8.45 am and 9 am, collection will also be from the car park at 3.15 pm. There will be no breakfast club or after school club that day.

### **Library Books and School Books**

Please can all library books and school reading books be brought back into school next week. There will be no library sessions until September.

### **Parent Survey**

Our parent survey this year is online. Please follow this link to complete the survey which should only take a few minutes. Please complete one for each child you have in the school as every child is different. It is anonymous and we really do want to know your views, hopefully as it is now online it is easier for you to respond.

The outcomes of this survey are reviewed by the school governors and senior leadership team and support our school development plan.

Please note as the surveys are anonymous if there is something very specific about your child that you require the school to respond to directly with you, we won't know who you are so please use the usual routes in this case.
