Those children in Years R, 1 and 2 as well as those children in KS2 who are entitled to Free School Meals can order a packed lunch via the on-line system in the usual way if they would like to or may bring a packed lunch from home. There will be the opportunity to purchase water bottles, hats, shorts and t-shirts every morning next week in the run up to Sports Day.

Please note that if another adult is collecting your child from Stoke Park at 1:30pm, pupils will not be released from their class teacher unless the slip has been returned to the office by the deadline of Monday 9th July. **There are no clubs running on Friday after school.**

Year R - the money raised was £16.48 towards extra-curricular activities for their class, £4.12 for charity and £20.61 towards school projects

The next snack sale will be: in the Autumn Term

Clubs for this Term

The office has been inundated lately with questions about clubs. Please check the parent calendar for dates and times. Alternatively, please contact the club provider or check the website. Please can we remind all parents to ensure they know what time their child's club finishes and that they are collected on time.

Information about outside run Autumn Term clubs will be sent home over the next couple of weeks. Parents will be notified of any staff run clubs in September.

Swimming Lessons

Information regarding swimming lessons for Year 2 and Year 3 in September will be going out before the end of July. Payment amounts and dates of lessons will be included on the letter. All pupils in these classes in September will need a plain swimsuit or trunks, a towel and goggles (optional). Please keep an eye out for the parent helper rota in the office. We will need 8 parents each week!

Library Books

Please can we ask that everyone has a good look for any school library books at home over the weekend. Parents will be asked to replace any books that have been lost or damaged, or are still outstanding at the end of next week.

Water Bottles

We have had a lot of pupils arriving at school without a water bottle this week. The weather appears to be remaining hot over the next few weeks and every child is expected to have a bottle in school every day regardless. Please can we also remind parents that only white or grey socks are permitted, no stripes or patterns or neon colours.
