- 20th July – Serena's birthday party
- 21st July – Saturday Club

Champions!! We are very proud to be able to say that we have retained the schools' gardening trophy for the second year running. The children worked extremely hard to create some wonderful artwork, cookery and also growing plants. Special mention goes to Kenzo who only missed out on the individual young gardener of the year award by 1 point!

Bike maintenance We have a lovely shed full of bicycles but they need servicing from time to time to maintain their safety. Is there any parent who can do this? Brake checks and pumping up tyres are the main issues. If you have anytime spare to come in to do this we would be very grateful, so that the children can get full use from the bicycles.

Move-up Morning The children and teachers enjoyed getting to know each other in their new class groups. Steph met her new class and they took the opportunity to get to know their likes and dislikes. Platinum took part in team building games.

Little Dancers dance performance – This was scheduled for the 14th July however due to a lack of interest we have cancelled our performance at the event.

Gold class New online Maths programme—Gold class are trialling the Doodle Maths app <https://www.doodlemaths.com> This is an online resource to support your child's learning in Maths. It is fun and interactive with lots of games and activities set at an appropriate level. Please do have a look as we hope to use it across the MCC in the new year. Any feedback would be most appreciated. **Login: Child's Surname Password:**

MCC (Uppercase)

Surfers against Sewage—We were able to make a £100 donation following the successful parents' café.

School Council—Update from school council this week. The children have been designing the MCC school council logo and are now the proud owners of an official badge and lanyard!

Reading at home—Many thanks for your support with their learning as together we can achieve the very best for them! For interactive online books, have a look at the Oxford Reading tree website <https://www.oxfordowl.co.uk/> login details are Goldclass123 password:Learn@home

Have a lovely weekend, Thank you, Michael Bogg, Centre Manager

Be Kind. Try hard. Do your best.

Silver Class – Silver class loved making their entries for the flower show, and won 1st and 3rd prizes for their fantastic cupcakes and Victoria sponge cake! We have been busy making different jungle animal crafts, and made some fantastic lion masks to use in our play. We have also been exploring numicon, and practising our mark making and writing outside.

Gold Class – What a successful flower competition we had this year. Gold class entered and won 1st, 2nd and 3rd prizes for their photography of garden images, which they worked on during art classes. Our carrot cupcakes and vegetable prints also won prizes. In science we have experimented with putting potted flowers into the dark to see if our predictions are correct. We are continuing to learn about life as a pirate and acted out some of the things they would have done on board their ship.

Platinum Class – The children have been investigating how temperature affects the bounce of different types of ball. They all worked together to carry out a fair test and record the data. The children also enjoyed their picnic lunch on Sports day and went to cheer on Finnley, Alfie -James and Jamiah who were taking part in races. They also enjoyed cooking, photography and art work as they prepared for the
