Dear Parents,

I can't believe I am writing the penultimate newsletter of the year!

We have had a fun packed sports filled week. The children have taken part in a variety of activities including: blindfold football, curling, seated volleyball, bowls, uni-hockey tournament, judo, netball and ten-step (which is our athletics based programme).

The week has culminated in our school trips, with Fir Tree and Forge at the Rare Breeds and Hurstwood, Kemsley and Oakwood at Adventure Island in Southend.

The children have all had a lovely week!

As we enter our final week we need to inform you of our changes for September.

As of September the children will no longer be set additional homework, (with the exception of Year 6). All research has shown that homework for primary aged children has no impact on their learning and attainment. For most parents it is another thing to battle over during the weekend when families should be spending time together.

I passionately believe that children should be allowed to be children; to play, develop and have free time to be themselves. However, we will still be expecting the children to learn their weekly spellings, learn their tables and read at least three times a week.

Our other big change is that we are going to trial being a 'slipper school'. Again research has shown that schools where children wear slippers in classes for their learning, achieve higher. The classrooms are quieter and wearing slippers has also been shown to raise self-esteem! The school will also be much cleaner! We ask that you provide the children with a pair of enclosed slippers, with a rubber type sole. They can wear plimsoles or croc type shoes if you would prefer. We are asking for a rubber sole due to using the toilet etc. to ensure hygiene.

The children will come to school in whatever footwear you deem appropriate: shoes, trainers or even wellies. They will change in and out of these for play-times.

Their slippers will need to be left in school clearly labelled with their name. Just think no shoe shopping at the end of the school holidays!

We have a busy final week:
