

### **School App**

If you need to update your version of the school app, please delete the current app on your phone before trying to download the updated version. This should make the upload successful.

### **School Library**

It has come to our attention that it was never announced last year that the winning name of the 'Name the Library', competition. Bookworms, was the idea sent in by Vaughan Archer. Thank you for all of your ideas for this. The Bookworm Library is well used by everyone in school!

### **Class Names Competition**

Thank you so much for all the ideas coming in for our new class names themes. You have had so many interesting ideas we really are going to struggle to find the one or ones we want to use! The tough decision takes place later this week... we will let you know what is decided as soon as we make up our minds!

### **Great Gardening!**

Mr Wilkins, the School Gardener, has been hard at work on developing the outside areas behind both Year 1 and Year 2. To enable him to do this he has been highly successful in obtaining donations of resources from companies for free! We will be holding some parent events in these areas next year so you can enjoy these pretty spaces along with the children! Thank you to Mr Wilkins for seeking these resources to benefit the school. He will also be working with groups of volunteers from Action 4 Youth during the summer to upgrade more areas around the school. We look forward to sharing these developments with you next year too.

## **Bedgrove Bits & Bobs 16<sup>th</sup> July 2018**

### **POLITE REMINDERS**

Please remember to send in your report slip to say you have received your child's end of year report.

Our Midday Supervisor Vacancy application window closes at 12 noon today. Please make sure your application has come to the office by then for us to consider you for an interview.

Please can all children bring in a suitable bag on Friday 20<sup>th</sup> July so we can send home their books and Learning Journeys. This can be a plastic bag or a reusable one- with your name on it so it doesn't get misplaced! Thank you

### **Foundation 1**

Please can we remind all parents/carer that the last day for Foundation 1 children is Monday 23<sup>rd</sup> July. There is no F1 on Tuesday 24<sup>th</sup>.

### **Year 1**

We are planning to send home books and other bits and pieces on Friday. Please can you send in a named carrier bag for your child as there will be too much to fit in book bags! PE kits will be sent home on the last Monday (23<sup>rd</sup>).

### **Foundation 2**

Please could you send in a plastic carrier bag by Friday 20<sup>th</sup> July so children can take home their learning journeys. We will be sending PE kits home in the last week. We will not be sending home reading books this week so we can do a stock take and sort books for next year. Please return all reading books as soon as you have finished with them. Please also return any outstanding library books. The children have enjoyed our maths songs so much we have decided to upload the links to the website for you to access them at home; do please take a look if you have the chance – the monkey floss (counting back from 20) is particularly popular!! With thanks for your continued support throughout this year, The F2 Team

### **Year 2**

A final reminder that our School Play is on at 9.30, on Thursday 19<sup>th</sup> and Friday 20<sup>th</sup> of July. Tickets are still available from the school office.
