Summer Celebration Day

On Monday 23rd July we will be having a summer celebration day to run alongside the PTA ice lolly treat day. The children can come to school wearing summer clothes e.g. shorts & t-shirts, summer dresses etc. They must wear sensible, comfortable shoes. We will also be discussing sun safety on the day so please support us by providing a sun hat and applying sun cream. There will be various activities happening across the school where children will have the opportunity to get wet if they would like to, such as washing school furniture ready for the new school year. There will be plenty of activities for children who do not wish to get wet. If you think that your child is likely to enjoy getting wet, please send in a change of clothes and a small (hand) towel.

If the weather is not on our side, we will not be allowing the children to get wet; in this event please dress children appropriately (they can wear mufti clothes).

Please contact your child's class teacher if you require any further information.
