Walsall Council

Walsall Council

Dear Parent/Carer

Starting Primary School in September 2018

I am pleased to endorse Walsall's Information for parents about Admission to Primary Schools for September 2018. This provides advice and guidance on the process for applying for a primary school place for September 2018, much of which is governed by statutory legislation.

The start of your child's full time school life is an exciting time for both you and them. It can also be a time full of questions and concerns about choosing the right school, deciding where children will be happiest and which school is best to help them achieve their best.

Please do contact and visit the schools you are interested in, look round and ask questions so you can feel positive and confident about making the right decision for your child. Walsall nursery and primary schools welcome visits and will help you throughout the admissions process.

Every Walsall school is committed to giving your child the best possible start to their primary school life and help them be the very best learner they can be.

The Admissions and Pupil Place Planning Team are available to help and support you and talk through any queries that you may have. They can be contacted on 01922 652585 or email to primary.admissions@walsall.gov.uk. Alternatively you can contact the Parent Support Adviser on 01922 652578 or email schooladmissionsadvice@walsall.gov.uk.

Very best wishes to you and your child for the start of a great school career.

Yours faithfully

Advice on the primary school admissions process

If you have any questions or require advice on the primary admissions process and procedure you can contact our Parent Support Adviser (admissions).

A key function of this role is to provide advice and support to parents and carers during the primary school transfer process.

The Parent Support Adviser will be able to assist parents in a variety of ways, including:

- assistance with the completion of on-line applications and advice on how to list preferences in the best order
- advice on the admission criteria for primary schools
- providing information on how school places have been offered in previous years

Over the coming weeks the Parent Support Adviser will be arranging drop in sessions at primary schools and the Civic Centre. Parents and carers will have the opportunity to ask any questions concerning the primary admissions process and, where necessary, arrange to attend further advisory sessions.

Parents and carers can also arrange individual appointments with the Parent Support Adviser if more in-depth assistance is required.

Will I need to provide any additional information?

Walsall Catholic Primary Schools

If you wish to express a preference for any Walsall Catholic primary school, you will need to send any required supporting information, eg baptismal certificates and letters from a minister of religion, direct to the school, together with a completed **Supplementary Information Form** – this is available to download from the Walsall Council Primary School Admissions webpage.

Walsall Voluntary Aided Church of England Primary Schools

If you wish to express a preference for any Walsall Church of England primary schools, you will need to send any required supporting information, eg baptismal certificates and letters from a minister of religion, direct to the school, together with a completed **Supplementary Information Form**. This is available to download from the Walsall Council Primary School Admissions webpage. Please note that a Supplementary Information Form is not an application for a school place; you must also submit an online application.

When should I apply?

See also important dates on page 5. The closing date for receipt of applications is **15 January 2018**. Applications received after this date, unless there are exceptional reasons, will be considered after all those applications received on time and this may result in your child not being admitted to your preferred school.

For information about schools in neighbouring local authorities, please contact them direct. Contact details can be found on page 6.

Please note that if your application is not submitted on time your child's chances of being offered one of your preferred schools is likely to be significantly reduced.

Children reach compulsory school age on the first day of the term following their fifth birthday. However, all Walsall primary schools provide full time places for pupils in a reception class from September in the school year in which children reach their fifth birthday.

If parents prefer their child to start school later than 1 September 2018, they have the option of deferring the child's entry until later in the 2018/19 school year. Parents opting for this must complete an on-line application by **15 January 2018** and must inform Walsall Council in writing of the date they wish their child to start in a reception class. Parents can request that their child attends part-time until the child reaches compulsory school age.

Parents are not able to defer entry beyond the beginning of the term following their child's fifth birthday.

Summer born children, (born between 1 April and 31 August) reach compulsory school age in the September following their fifth birthday (or on their fifth birthday if it falls on 31 August). Parents of summer born children may submit a request for their child to be admitted to a reception class in the September following their fifth birthday, at the point at which other children in their age group are moving from the reception class to year 1.

Parents seeking a place for their child outside of their normal age group in a community or voluntary controlled primary school should make a request in writing to Walsall Council providing details of the reason for the request and supporting medical evidence or evidence from the child's current head teacher if appropriate.

When an application for admission outside of a child's normal age group in a community or voluntary controlled primary school is received, Walsall Council, as admission authority for the school, will make the decision on whether or not to grant the request based on the individual circumstances of each case.

What happens if I do not submit my application by 15 January 2018?

On-line applications cannot be made after the closing date, and applications received after **15 January 2018**, without good reason, **will only** be processed after all other applications have been finalised. Such applicants are significantly less likely to be offered their preferred schools. If you have good reason for applying after the closing date, please attach a letter to your application, explaining the reasons for the late return. Any letters received will be considered, but there is no guarantee that your application will be processed with those received before the deadline date.

Late Applications for Walsall primary schools received up to 4 weeks after the closing date (between 16 January 2018 and 11 February 2018):

Late applications received up to four weeks after the closing date may be considered as being on-time but only where there are exceptional circumstances:

- Where the family was unable to submit all on-line application by the closing date because they moved into the borough of Walsall after the closing date of 15 January 2018.
- The family was unable to comply with the admission timetable because of exceptional circumstances that prevented the on-line application being completed on time;
- When a lone parent has been ill for some time.

In these cases the circumstances must be given in writing and attached firmly to the Walsall Late Preference Form: they will be subject to verification by the Executive Director of Children's Services, Walsall Council.

All applications received after 14 February 2018 will be considered as late applications.

Please note that if your application is not submitted on time, your child's chances of being offered one of your preferred schools are likely to be significantly reduced. Applications which are considered to be late will only be processed after all other applications have been finalised and in previous years many schools have filled with on time applicants.

How many preferences can I have?

You can list up to 3 preferences on your application. It is advisable to list 3 preferences as it may not be possible to offer your child your first preference.

What happens if I would like to change my school preference after I have submitted my application?

Up to the closing date of 15 January 2018 parents may change their preferences if they wish to do so. After the closing date any change in preferences, other than in exceptional circumstances will be regarded as a late application and will be considered under the late application policy. Documentary evidence is required to support claims of exceptional circumstances.

Won't my child automatically move from nursery to reception?

Children do **not** automatically move from nursery to primary or infant school. Every parent must complete an on-line application to ensure that their child is considered for a place at their preferred primary or infant school. Where a parent does not make an application for any school, a place at the nearest Walsall school with places available will be offered. This may not be your local school and transport assistance may not necessarily be provided.

Won't my child automatically move from infant school to junior school?

Children do **not** automatically move from infant to junior school. Every parent must complete an on-line application to ensure that their child is considered for a place at their preferred school. Where a parent does not make an application for any school, a place at the nearest Walsall school with places available will be offered. This may not be your local school and transport assistance may not necessarily be provided.

If my child has an older sibling already in attendance at my preferred school, do I still have to apply?

You must make an application for your preferred school regardless of whether or not your child has an older sibling at the school at the time of admission. Please ensure you include details of any siblings currently attending one of your preferred schools when completing your on-line application. Failure to disclose a sibling connection may mean that your child's application is not considered under the sibling criteria. If you are making an application for an infant school and your child has an older sibling who is already on roll at a paired junior school, you must include details of the older sibling and tick the box to indicate that there is a sibling connection.

When will I know the outcome of my application?

When you complete your application online, you can opt to receive the outcome of your application by email on 16 April 2018 (please see page 4 for details).

If you reside in Walsall, Walsall Council will post your offer letter on **Monday 16 April 2018 by 2nd class post** making one offer of a school place. You should not receive more than one offer of a place within the coordinated scheme.

In the case of offers to Walsall resident children for places in schools outside Walsall, Walsall Council will make offers on behalf of the relevant local authority.

How many places are available at each school?

Each school has a Published Admission Number which is the maximum number of pupils that the school can admit, taking into account the accommodation and resources available. The Published Admission Number for each school is shown on the school information pages. You will also find information about how places were allocated in previous years on these pages.

What is the Coordinated Admissions Scheme?

The scheme indicates the way in which Walsall Council will coordinate admission arrangements. The purpose of the scheme is to ensure that each pupil living in Walsall receives only one offer of a school place on the same date, whether that is at a school in Walsall or at one maintained by a neighbouring authority.

The neighbouring authorities coordinating in this scheme are: Birmingham, Dudley, Sandwell, Staffordshire and Wolverhampton.

Details of how the scheme operates are given on pages 31 to 32.

What can I do if I am unhappy with the school offer made?

Along with your offer letter, you will receive information on how to proceed if you are not satisfied with the school place you have been allocated.

You can call the Parent Support Adviser (01922 652578), who will be able to tell you which schools still have places and explain the options available to you.

If it is not possible to offer a place at your preferred Walsall school, parents have the opportunity to appeal against the decision to an Independent Appeals Panel.

Information on how to make an appeal for the different types of Walsall schools will be sent to parents with the offer letter. Details about how to appeal are given on page 34 of this booklet.

The deadline for receipt of appeal forms is **19 May 2018**, if forms are received after this date it may not be possible for the appeal to be heard in the summer term. Therefore, if you wish to appeal, you are strongly advised to return the appeal form by the specified date.

Infant class size limit - maximum of 30 pupils

The governors of each school are legally required to ensure that all infant classes have no more than 30 pupils with a single teacher. The infant class size limit applies to children in Reception, Year 1 and Year 2 classes.

If an appeal is made for a place in an infant class, the school or Local Authority may use the infant class size legislation to advise an appeal panel that by admitting another pupil there would be “infant class size prejudice”.

For example, a school that admits 45 pupils would have two reception classes of 22 and 23 and three mixed age Year 1/ Year 2 classes of 30 per class. Admitting extra pupils to the reception class would not cause a problem immediately, but would result in classes of more than 30 when pupils are in Years 1 and 2.

Where infant class size prejudice is proven, the appeal panel should only uphold an appeal if:

- a) the decision was not one which a reasonable admission authority (Local Authority or governing body), properly aware of its responsibilities would make in the circumstances of the case. The circumstances which may be considered include the school's admission policy, the internal organisation of the school and its ability to accommodate pupils in compliance with the class size limit; or
- b) the child would have been offered a place if the admission arrangements had been properly implemented.

What if my appeal is unsuccessful?

The decision of an Independent Appeal Panel is final and binding on all parties.

Repeat appeals cannot be considered in the same academic year unless there have been significant and material changes in the circumstances of the child or the school.

In the event of your appeal being unsuccessful, you may wish to contact the Parent Support Adviser or the Admissions and Pupil Place Planning Team who will be able to advise you which schools have places available if you do not want to accept the school place that you have been offered.

Almost all admission appeals for schools where there is infant class size prejudice are unsuccessful.

How do I put my child's name on a waiting list if my application is unsuccessful?

If your child has not been offered a place at your most preferred school and a place has been offered at a lower preference school, your child's name will automatically be placed on the waiting list/s of the Walsall school/s you named as higher preferences on your original application.

Waiting Lists for all Walsall schools will be maintained by the Local Authority until the last day of the Autumn Term 2018. Parents may enquire about their child's position on any Waiting List by telephoning the Admissions and Pupil Planning Team after 30 April 2018.

Please note pupils can move up and down on the waiting list throughout the admissions process.

Children who are the subject of a direction by a local authority to admit to a school or who are allocated to a school in accordance with a Fair Access Protocol must take precedence over those children on the Waiting List.

Please see further information about the Waiting List Policy on page 34.

Who should I contact if I have any questions about the admissions process?

You can contact the Parent Support Adviser, who can give advice and support to parents and carers, or the Admissions and Pupil Place Planning Team. Parents can arrange appointments with the Parent Support Adviser if more in-depth assistance is required. Please contact the Parent Support Adviser on 01922 652578 or email schooladmissionsadvice@walsall.gov.uk.

Contact details for the Admissions and Pupil Planning Team are given on page 1 of this booklet.

Please read the Information for Parents booklet on the Walsall Council website as this may answer your queries: www.walsall.gov.uk/education.

Changing schools during the school year

Moving your child to another primary school is a very serious step to take. It can affect your child in many ways. It is important that you consider whether a transfer is really the best option. Before deciding to move your child to another school, please read this information carefully.

Moving to a new school may not mean that a problem is solved – it can happen again and could be worse because your child will not know the new teachers and pupils and your child and her/his needs will not be known by school staff.

Many things that worry parents and pupils can be sorted out without the need to move schools. Talking to your child and staff at your child's present school should make a transfer to another school unnecessary in almost all circumstances.

While all schools follow the National Curriculum, schools will teach different topics at different times of the year. If your child moves schools, he or she may miss work which will affect his or her ability to be entered for, or succeed in, examinations and national tests.

There may be some circumstances when a change of school is unavoidable, for example:

- where a child in public care has moved carers and direct travel to the existing school is not possible;
- where a child receives a Statement of Special Educational Needs which names the school;
- a house move into Walsall;
- a house move within Walsall where direct travel to the current school is not possible;
- where a court order makes it impossible for the child to continue attending his or her current school.

If none of the above circumstances apply, we strongly advise you to take the steps outlined below before seeking a change of school.

If your child is unhappy at school or you feel he or she is being bullied: speak to the child's class teacher, or make an appointment to see the headteacher.

If you have a complaint about the school, the teachers or the work your child is doing: if it cannot be resolved by the teaching staff or headteacher, put your complaint in writing to the school's Governing Body.

If your child is not attending school: talk to your child about why he or she does not want to attend and speak to the teachers. You can also talk to an Education Welfare Officer.

If your child has special educational needs: speak to the teacher in charge of special needs (SENCO) or contact the SEN Team.

General Information

If you decide to submit an application to transfer your child to another school, do not remove your child from their current school until he/she has been offered a place at a new school.

From September 2018 applications for midyear admissions should be submitted on-line at www.walsall.gov.uk

If you have any questions or require advice on the midyear admissions process and procedure you can contact our Parent Support Adviser on **01922 652578**, or speak to the Admissions and Pupil Place Planning Team 01922 652585 or by email schooladmissionsadvice@walsall.gov.uk.

Admissions and the Disability Discrimination Act 1995/SEN and Disability Act 2001

The principle behind the Disability Discrimination Act 1995 is that disabled people should not be discriminated against. The Act affects virtually everyone who provides goods, facilities and services, including access to education.

The Disability Discrimination Act 1995 defines a disabled person as someone with 'a physical or mental impairment which has a substantial and long term adverse effect on their ability to carry out normal day-to-day activities'.

Since 2002 it has been unlawful to discriminate against children and young people who have a disability. This part of the law also applies to admissions to schools.

The Acts ensure that children and young people with disabilities cannot be treated less favourably than all other children and young people, other than in exceptional circumstances. It also sets out that schools and local authorities must take reasonable steps to ensure that children and young people with disabilities are not placed at a substantial disadvantage compared to other pupils in the school.

The Act identifies specific duties in relation to school admissions. The Act states that Local Authorities and schools must not discriminate against a disabled child:

- in the arrangements that they make for determining the admission of pupils to the school. This includes the schools' admission criteria and the operation of those criteria;
- in the conditions on which they offer to admit a disabled pupil to a school;
- by refusing to accept or deliberately omitting an application for admission to the school from someone who is disabled

If you have any concerns about the admission arrangements you should contact the responsible body and try to resolve the issues. The responsible body for community and voluntary controlled schools is the Local Authority, for foundation and voluntary aided schools and academies it is the governing body.

Claims of unlawful discrimination in respect of a refusal to admit to a school are heard by Admission Appeals Panels. A claim of unlawful discrimination is made and heard in the same way as for other admission appeals. Please see page 34 for information about admission appeals.

You must let us know as soon as possible if you or your child have a disability which you consider could affect your application for a place at a particular school under the terms of the Act. For example, for schools that require pupils to take an examination, assessment tasks or a musical audition, it may be appropriate for the school to make available test material in an adapted format, provide an amanuensis (scribe) or to allow additional time, depending on the needs of the child – please contact the school concerned.

What happens if your child has a Statement of Special Educational Needs or an Education, Health and Care Plan?

The admission of a child with a statement of Special Educational Needs to a school is the responsibility of the Local Authority (LA) which maintains the child's statement. The statement or Education, Health and Care Plan is maintained by the Authority to which you pay your Council Tax. The admission to Reception and Year 3 for these children is dealt with under the SEN Code of Practice and a different process is involved.

Where a parent of a child with a statement of special educational needs or an Education, Health and Care Plan expresses a preference for a school and the Local Authority (LA) is satisfied that the school is suitable for the child's needs, a place must be offered to the child. The LA and the school must comply with the parent's preference, unless:

- the school is unsuitable to the child's age, ability, aptitude or special educational needs, or
- the placement would be incompatible with the efficient education of the other children with whom the child would be educated, or
- the placement is an inefficient use of public resources.

All schools in Walsall are able to meet a wide range of special educational needs, however, there will be occasions when the Authority judges that a parental preference is not suitable for their child for one or more of the reasons given above. For example, if the school that parents have expressed a preference for is a significant distance away from the home address and transport is provided by the Authority, the Authority could refuse as this would be an inefficient use of resources.

The Government has set a different timescale for the admission process for children with statements. This means that places will be given to children with statements or Education, Health and Care Plans before places are allocated to other pupils. By **16 February 2018** the statement will be amended to name the primary/junior school that the child will attend in September 2018.

Parents or carers of children who live in Walsall should apply on-line for a place at a mainstream school.

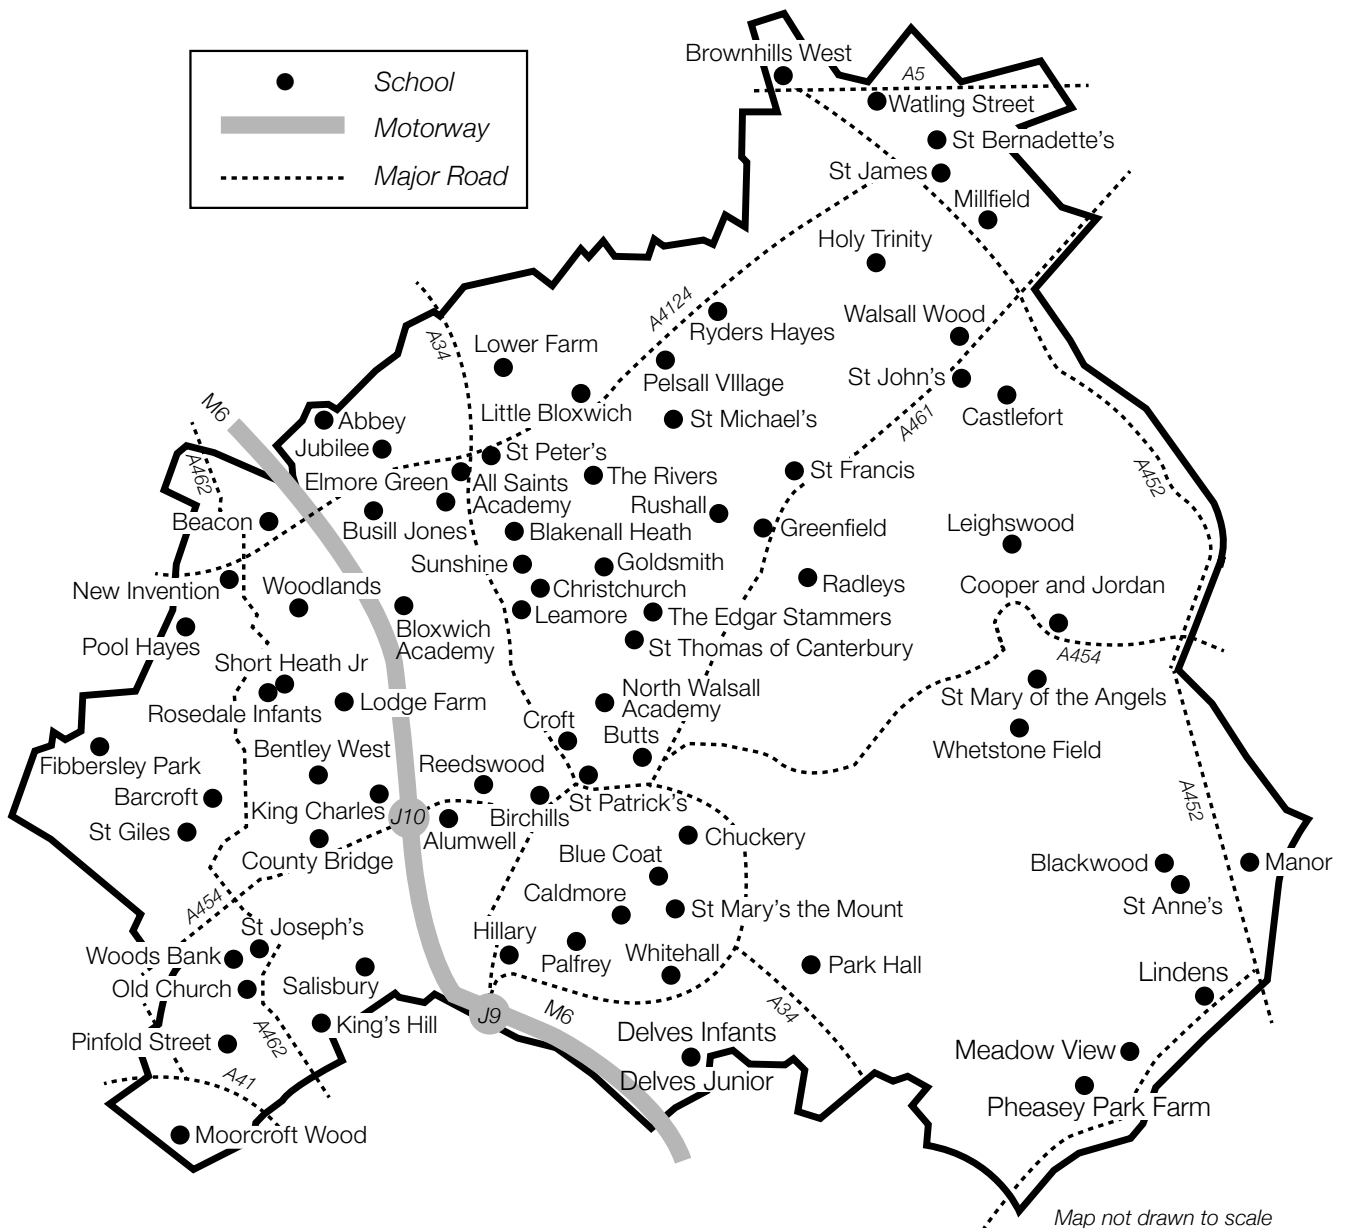

They should make sure that they show on the application that their child has a statement or an Education, Health and Care Plan. The Admissions and Pupil Planning Team will forward these applications to the SEN Team, who will complete the process. Preferences for Special Schools cannot be included on the on-line form, and applications for Special Schools should be made on a paper application form which is available on request from Admissions and Pupil Place Planning Team.

What are the chances of getting my child into the school I want?

It is not possible to give guidance that will guarantee a place at a particular school. However, if you take time to consider the following advice, it may increase the chances of one of your preferences being offered:

- Submit an on-line application to Walsall Council before the closing date if you live in Walsall. If you live outside Walsall you must apply to the local authority where you live (your Home Authority).
- Do any of your preferred schools require another form to be sent in? For Walsall Schools check on page 7 of this booklet. For schools outside Walsall, check the information booklet or the website for the relevant local authority.
- Give the name and date of birth of any sibling who is already at a school you are applying for, and who will still be in attendance in September 2018. Year 6 sibling connections will **not** be counted, nor will children who **don't** live at the same address.
- If you are applying for a place at an infant school give the name and date of birth of any sibling who is already attending the paired junior school who will still be attending the school in September and tick the relevant box on the application.
- Carefully check the admission criteria for the schools you wish to apply for. Admission criteria for Walsall schools are given in this booklet, but you will need to contact the relevant local authority to obtain details of the admissions criteria for schools in other areas. Does your child meet the criteria for the school(s) you prefer?
- Be realistic. Would your child have met the admission criteria last year, or the year before? If in doubt, please contact either the Parent Support Adviser or the Admissions and Pupil Place Planning Team for advice.
- Even if you believe that your child stands a very good chance of being offered a place at your preferred school you are strongly advised to include at least one preference for an acceptable alternative school. If your child cannot be offered any of your preferred schools they will be allocated a place at the closest school with places still available.
- Make sure you include as a preference at least one school where your child meets the admission criteria. This is likely to be a nearby school where one of the main admission criteria is distance. Requesting a local school may give your child the option to walk there.
- You can name up to three schools that you would like your child to go to and rank them **in order of preference**. The school you name first should be the one you would most like your child to go to.
- When you are naming your preferred schools, do not put down the same school more than once. If you do, we will treat this as one application. Listing more than one preference for the same school will not increase your chances of getting a place at the school.
- You must submit your on-line application by **15 January 2018**.
- If your application is submitted after the closing date your child's chances of obtaining a place at one of your preferred schools is likely to be significantly reduced.

Useful website: www.direct.gov.uk/Schoolsfinder

Please note that the above website will give you an idea as to how far away you live from a particular school. It is not the system that Walsall Council uses to calculate distance and is only a rough guide. The system which Walsall Council operates measures the distance in miles in a straight line from the centre point of the school to the centre point of the home address. Ordnance Survey supplies the co-ordinates that are used to plot an applicant's home address within this system.

Note

Please note all Walsall primary schools are co-education there are no single sex primary schools.

Transport to primary schools

Free transport criteria

To apply for free transport, pupils must live outside the statutory walking distance, measured by the shortest route along which a pupil, accompanied as necessary, may walk with reasonable safety to their nearest appropriate school.

The statutory walking distance is two miles for pupils aged under eight and three miles for pupils aged eight and above.

Primary age

Regardless of the level of family income, children of compulsory school age, but under the age of eight are entitled to free travel arrangements to their nearest qualifying school if it is more than two miles from their home. In addition, children aged eight to eleven from low income families must have travel arrangements made where they live more than two miles from their nearest qualifying school.

Suitability of a 'qualifying school'

References to 'the nearest qualifying school' are to be taken to mean the nearest qualifying school with places available that provides education appropriate to the age, ability and aptitude of the child and any special educational needs that the child may have.

Low Income groups

Children from low income groups are defined as those who are entitled to free school meals, or those whose families are in receipt of their maximum level of Working Tax Credit (WTC). Eligibility for transport assistance will be assessed on an annual basis.

Examples relating to eligibility based on income:

Child A is an 8 year old child entitled to free school meals. Their nearest suitable school is 2.5 miles from their home. Child A would be entitled to free transport to this school.

Child B is an 8 year old child whose parents are in receipt of their maximum level of Working Tax Credit. Their nearest school – 'y' – is 2.2 miles from their home; and the second nearest – school 'z' – is 5.5 miles away. Child B would be entitled to transport to school 'y' but not to school 'z'.

Child C is an 8 year old child whose parents are not in receipt of their maximum level of Working Tax Credit and who is not entitled to free school meals. Their nearest school is 2.5 miles from their home. Child C would not be entitled to free transport.

How the Inter-LA Coordinated Admission Scheme works

1. The Inter-LA Coordinated Primary Admission Scheme allows parents/carers to express preferences for up to three primary schools, rank them in order of preference and, if appropriate, give reasons for their preferences (e.g. medical or social reasons).
2. Parents/Carers who live in the borough of Walsall must apply on-line at www.walsall.gov.uk/education for a place at any primary school in Walsall or at a primary school outside Walsall. Each school named is regarded as a separate application.
3. Your on-line application must be submitted by **15 January 2018**. If you do not submit your application on time your child's chances of being offered a place at one of your preferred schools may be significantly reduced.
4. If you wish to express a preference for any Walsall Catholic school or Voluntary Aided Church of England school, you will need to send any supporting information, eg Baptismal Certificates and a Supplementary Information Form, direct to the school. Please note that a Supplementary Information Form is not an application for a school place and you must also submit an online application.
5. Schools where the Governing Body is the admission authority will be informed of all applications naming their school, but not the rank given by you. However, once places have been offered your rankings may be disclosed to a school if you request an admission appeal.
6. After the Closing Date of 15 January 2018, the admission criteria for each of your preferred schools will be applied by the appropriate admission authority to determine whether your child meets the school's admission criteria and could be offered a place.
7. The admission authorities will inform us whether your child meets their admission criteria and could be offered a place.

If your child meets the admission criteria of only **ONE** of your named schools, you will be offered a place at that school.

If your child meets the admission criteria of **TWO** or more of your named schools, you will be offered a place at the highest ranked of those schools.

If you are a Walsall resident and your child does not meet the admission criteria of any of your named schools, we will offer a place at an alternative Walsall school with places available.

If you live outside Walsall and do not meet the admission criteria of any of your named schools, your child will not be offered a place at an alternative Walsall school, but your home Authority is responsible for offering a place at an alternative school in your home authority area.

Parents will not be able to hold places at more than one primary school. If your application for any preferred Walsall school is unsuccessful, please read the Waiting List Policy.

8. On the national Notification Date, **16 April 2018**, the Admissions and Pupil Place Planning Team will, write to all parents resident in Walsall, on behalf of the relevant admission authority, informing them of the outcome of their applications.

If appropriate, this letter will also inform you of the reason for the refusal of a place, your right of appeal and will give you contact details for appeal information. Letters will be sent by second class post.

9. Examples – the examples shown on the following page will help you to understand how places will be offered using the Inter-Local Authority Coordinated Primary Admission Scheme.

Examples of how the Inter-LA Coordinated Admission Scheme works

These three examples do not use the names of Walsall primary schools.

RANJIT lives a long way from Fairview School and close to Sunnyville School and Hall View School. His parents know Fairview School is usually over-subscribed but they want to see if he will be offered a place there.

Rank	School	Ranjit's Details	School's Admission Criteria Met?	Place Offered?
1	Fairview School	Lives 5 miles away	No	No
2	Sunnyville School	Lives ½ mile away	Yes	Yes
3	Hall View	Lives 1 mile away	Yes	No

Ranjit lives too far from Fairview to be offered a place. He qualifies for a place at Sunnyville and Hall View. **He is offered a place at Sunnyville, the higher ranked of the schools for which he qualified.**

LUCY's nearest school is Midhay. Her parents would like her to go to Bishop Fields, slightly further away which is a Catholic school.

Rank	School	Lucy's Details	School's Admission Criteria Met?	Place Offered?
1	Midhay	Lives ¼ mile away	Yes	Yes
2	Bishop Fields School	Is a baptised Catholic	Yes	No
3	Marsh Hill School	Lives ½ mile away	Yes	No

Lucy met the Bishop Fields criteria because she is a Catholic. She also met the admission criteria for Midhay and Marsh Hill because she lives near to both schools. **Lucy is offered a place at Midhay because the school was ranked higher than Bishop Fields and Marsh Hill.**

JAMES lives ½ a mile from Wishbone, his local school, but his parents don't want him to go there. The schools they named are a long distance from their home.

Rank	School	James' Details	School's Admission Criteria Met?	Place Offered?
1	Trent School	Lives 6 miles away	No	No
2	Rainbow School	Lives 5 miles away	No	No
3	Avon School	Lives 4 miles away	No	No

James lives too far from his parents' preferences to qualify for places.

None of his parents' preferences could be met. His closest school, Wishbone, filled its places with children whose parents had ranked it as one of their preferences. **James is therefore offered a place at Sally Hall School. This school is 2 miles from his home, but is offered as it is the nearest school with places still available.**

Late application policy

Any applications that are received after the closing date of 15 January 2018 are classed as late applications.

The late application policy for Walsall community and voluntary controlled schools is shown below. The governors of Walsall voluntary aided and foundation schools have adopted this policy.

If your application is late, your child's chances of being offered a place at your preferred school may be significantly reduced as the school may already be full. Places are not reserved for late applications.

Late applications for Walsall community and voluntary controlled primary schools: Received between 16 January 2018 and 11 February 2018

Late applications received by 11 February 2018 may be considered but only where there are exceptional circumstances, for example:

- Where the family was unable to complete the on-line form by the closing date because they moved into the borough of Walsall after the closing date of 15 January 2018.
- The family was unable to comply with the admission timetable because of exceptional circumstances which prevented the on-line form being submitted on time.
- When a lone parent has been ill for some time.

In these cases the circumstances must be given in writing at the time of application and attached to the Preference Form they will then be verified by the Executive Director of Children's Services, Walsall Council.

Late applications for Walsall community and voluntary controlled primary schools: Received between 12 February 2018 and 15 April 2018

Late applications received between 12 February 2018 and 15 April 2018 will be considered only after all other preferences.

Late applications for Walsall community and voluntary controlled primary schools: Received after the notification date of 16 April 2018

Parents making a late preference for a place at an undersubscribed school will be offered a place for their child.

Any late application for a place at an over-subscribed school which is received after places have been offered will be added to the school's waiting list in admission criterion order.

The Waiting List Policy for community and voluntary controlled schools is explained on page 34.

Please note that any change of preference after the closing date will be regarded as a **late application** and will be considered under the late application policy. Any change of preference must be made in writing by parents (letter or email). Parents can only have three preferences at any one time throughout the admission process.

During the admissions procedure you must notify the Admissions and Pupil Planning Team in writing of any change of home address. The definition of a home address is given on page 36.

Proof of change of address can include:

- Solicitor's letter confirming exchange of contract
- Rental agreement
- Utility bill
- Council Tax bill
- Other bills showing name and address.

Failure to provide this information may affect the outcome of your preferences.

Waiting list policy for Admission to Reception and Year 3

Waiting lists for all Walsall schools will be maintained by the Admissions and Pupil Place Planning Team until the end of the Summer Term 2018. Parents may enquire about their child's position on any waiting list by telephoning the Admissions and Pupil Planning Team from 30 April 2018.

Children who are the subject of a direction by a local authority to admit to a school or who are allocated to a school in accordance with a Fair Access Protocol must take precedence over those children on the waiting list.

Waiting lists are kept of all children who have been refused a place at any school which was ranked higher than the school at which they have been offered a place, for example

- If your child is offered a place at the school that you ranked 2nd on the application then your child's name will only be placed on the waiting list for the Walsall school that you had ranked 1st
- If your child is offered a place at the school that you ranked 1st on your application then your child's name will not be added to any waiting list kept for your other ranked schools unless a request is submitted in writing by the parent or guardian.

We aim to offer parents a place at their highest ranked preferred school.

Please note that waiting lists are held in admission criteria order and pupils can move up and down on the waiting list throughout the admissions process.

How to appeal if your application is unsuccessful

Parents who do not obtain a place for their child at a preferred school may appeal against the decision not to offer a place. An independent Admission Appeal Panel will hear the appeal. The decision of an Appeal Panel is binding on the school, the parents and Walsall Council.

If you wish to make an appeal against a decision not to offer your child a place at a Walsall school, the Appeals Information sheet that will be sent with your offer letter will explain who you will need to contact regarding appeals. If the school you wish to appeal for is situated outside Walsall you should contact the relevant LA for information on their process. If an appeal is unsuccessful, the policy in all Walsall schools is not to hold another appeal in the same school year **unless** there are significant changes in the circumstances of the child or the school.

Offer of a place at a school

If you live in Walsall and submitted your application on time, the Admissions and Pupil Place Planning Team will inform you of the result of your application by letter, to be posted to your home address on 16 April 2018 by 2nd class post.

If you elected to receive an email when you submitted your online application, you will be notified of the outcome of your application, on 16 April 2018.

If you submitted a late application after the closing date of 15 January, your offer letter will be posted as soon as possible after 16 April 2018. **It is not possible to notify late applicants of the outcome of their application by email.**

If your child meets the admission criteria of only **ONE** of your named schools you will be offered a place at that school.

If your child meets the admission criteria of **TWO** or more of your named schools you will be offered a place at the highest ranked of those schools.

If you are a Walsall resident parent but do not meet the admission criteria of any of your named schools we will offer your child a place at one of the Walsall schools with places available.

Your child will be offered a place at one school only. Parents will not be able to hold places at more than one school.

Withdrawing the offer of a place at a Walsall school

Once a place has been offered on 16 April 2018, it will be assumed that you have accepted the place offered. If you do not wish to accept the place which has been offered to your child you should return a refusal form by 5 May 2018.

Please note that if you refuse the place which has been offered we will not make a further offer to your child unless we can offer one of your higher ranked schools from the waiting list later in the process.

The offer of a place at an oversubscribed school may be withdrawn if your application contains fraudulent or intentionally misleading information that would prevent a place being given to a child with a higher priority. This may include, for example, where a false home address was detailed when applying.

Where a place is offered based on the address given on the application but the child's address is subsequently found to have changed, the place may be withdrawn.

Admission criteria for community and voluntary controlled schools

The admission authority for Walsall community and voluntary controlled schools is Walsall Council. Admissions are administered by the Admissions and Pupil Place Planning Team.

Where the number of preferences received exceeds the number of places available, Walsall Council's admission criteria are applied to all community and voluntary controlled schools. The admission criteria are shown below, in order of priority, for these schools.

Criterion 1. Children in Public Care (looked after children) and previously looked after children. Children in Public Care are children in the care of a local authority or provided with accommodation by a local authority and previously looked after children who were looked after, but ceased to be so because they were adopted or became subject to a residence order or special guardianship order. These children are given priority over other children when applications are considered.

Criterion 2. Pupils who have a sibling already in attendance at the school or paired junior school, when the application is made and who will still be attending the school at the proposed admission date.

A sibling is a child who resides at the same address as the child for whom a place is being requested and is one of the following:

- a brother or sister sharing the same parents
- a half brother or sister sharing one common parent
- a step brother or sister (i.e. related by their parent's marriage)
- any other child for whom it can be demonstrated that he or she is residing permanently at the same address (e.g. under the terms of a residence order)

The Authority will try to ensure that as far as possible siblings (including twins, triplets or children from other multiple births) can attend the same school.

Criterion 3. Relevant medical or social grounds which show that attendance at the school is essential and which are supported in writing by a medical practitioner or appropriate professional.

If parents believe there are specific medical or social reasons for claiming priority for a child to attend a particular school, the relevant part of the on-line form must be completed and evidence to support the claim must be submitted directly to the Admissions and Pupil Place Planning Team. This must relate to either the child or the parents, for example where both parents or the child has a disability that may make travel to a school further away more difficult.

Requests for such consideration will be subject to verification by the Executive Director of Children's Services. This is necessary because parents will be asking the Authority to assess the child as having a stronger case than many other children, some of whom may live closer to the school.

Medical

Medical evidence from a medical practitioner must be submitted in writing and should state why the preferred school is the **only school** that can meet the child's needs.

Social

Social evidence from a social worker or other appropriate professional must be submitted in writing and should state why the preferred school is the **only school** that can meet the child's needs.

Please note that children are only prioritised for admission in respect of medical or social grounds in exceptional circumstances.

Criterion 4. For applications to junior school only. Attendance by the child at the relevant paired infant school, when the application is made.

The paired infant and junior schools are:

Alumwell Infant	paired with	Alumwell Junior
Delves Infant	paired with	Delves Junior
New Invention Infant	paired with	New Invention Junior
Palfrey Infant	paired with	Palfrey Junior
Rosedale CE (C) Infant	paired with	Short Heath Junior
Sunshine Infant and Nursery	paired with	Blakenall Heath Junior
Whitehall Nursery and Infant	paired with	Whitehall Junior Community

Criterion 5. Church places at voluntary controlled Church of England primary schools These schools may offer up to a maximum number of Church places to children of regular worshippers based upon their admission numbers:

An admission number of 30 : up to 7 Church places

An admission number of 45 : up to 11 Church places

An admission number of 60 : up to 15 Church places

“Regular worshipper” is defined as attending a place of worship on at least one occasion per month over the past 12 months.

If there is over-subscription for Church places, priority will be given to those living closest to the school as measured in a straight line.

Criterion 6. Distance will be measured in a straight line from the centre point of the home address to the centre point of the school address using the Local Authority's computerised measuring system with those living closer to the school receiving the higher priority. The home address is considered to be the permanent residence of the child in a residential property when the place is offered. The address must be the child's only or main residence and either:

- owned by the child's parent, parents or guardian

OR

- leased to or rented by the child's parent, parents or guardian under lease or written rental agreement of not less than six months duration.

Documentary evidence of ownership or rental agreement may be required together with proof of actual permanent residence at the property concerned.

Where parents have shared responsibility for a child and the child lives with both parents for part of the week, the main residence will be determined as the address where the child lives for the majority of the week. Parents may be requested to supply documentary evidence to support the address used for the application.

The offer of a place is based upon the address of the child when the offer is made. If a child is offered a place at an oversubscribed school the place may be withdrawn if it is found that the child moved (before the place was offered) to a new address which was further away from the school and the child would not have qualified for a place on the distance criterion.

In the event that a family moves between the application and the date of offer, the parent, carer or guardian must inform the Admissions and Pupil Place Planning Team as soon as possible of these circumstances.

If the home address is a flat (or apartment) and there is more than one flat at the same address, priority will be given to applicants living at the lowest numbered flat or the flat on the lower floor.

If you need further guidance please contact the Admissions and Pupil Place Planning Team on 01922 652585 or the Parent Support Advisor (01922 652578). The home-to-school distance is measured using a geographical information system. **Please note, the Admissions and Pupil Place Planning Team is unable to undertake measurements at the request of individual parents.**

Annual Governors' Report and meeting for parents

Under current legislation, every school Governing Body must produce an annual report for parents on the work of the school. Subject to the Annual Parents' Meetings (Exemptions) (England) Regulations 2003, Governing Bodies may be exempt from the requirement to hold a meeting for parents. Where a meeting is held, this usually takes place in the autumn term and parents are notified of arrangements by the school. This is an opportunity for parents to learn more about the school and to ask questions of the governors. Do try to attend these meetings if you can.

Charging and Remission Policy

Copies of the Authority's policy on charging and remission for school activities are available from Walsall Council. Each school can provide a copy of its own policy. These policies explain which school activities parents can or cannot be charged for and the circumstances in which they can be invited to contribute to the cost of such activities.

Private property

Walsall Council and the governors of all Walsall schools will not accept responsibility for the loss of, or damage to, clothing or other items of private property. Pupils who bring to school mobile telephones, jewellery, calculators and other items of private property do so at their own risk. Responsibility for the insurance of such items rests entirely with the owner. Insurers do not accept liability for the loss of private property on school premises. This disclaimer does not affect your statutory rights.

Primary Fair Access Protocol

Walsall has an agreed Primary Fair Access Protocol, a copy of the Primary Fair Access Protocol is available on the Walsall Council website.

Fair Access Protocols exist to ensure that access to education is secured quickly for children who have no school place, and to ensure that all schools in an area admit their fair share of children with challenging behaviour.

Along with devolved funding and responsibility for alternative provision, an agreed protocol encourages schools to work together in partnership to improve behaviour and tackle persistent absence.

Changes to this booklet The information in this booklet is correct at the time of printing in September 2017. It is, however, possible that there may be some changes affecting points of detail.

To apply for a place

To apply for a nursery place you should contact the headteacher of the school for details.

Places at community or voluntary controlled nursery, infant and primary schools, will be allocated as follows.

Priority for nursery places will be given to children born between 1 September 2013 and 31 August 2014. If there are more applications than places available, the headteacher of the school will admit children by using the following admission criteria (in order of priority):

- Children in Public Care (looked after children), and previously looked after children
- Pupils who have an older sibling already in attendance at the school at the proposed time of admission
- Pupils for whom a place at the school is essential on medical or social grounds as supported in writing by a medical practitioner or a social worker. Applications will be subject to verification by the Executive Director, Children's Services
- Distance will be measured in a straight line from the centre point of the home address to the centre point of the school address using the Local Authority's computerised measuring system with those living closer to the school receiving the higher priority

If there is over-subscription in Criteria 2-3 above, priority will be given to those living closest to the school as measured in a straight line. Please see pages 35 to 36 for a definition of the admission criteria.

If you are refused a nursery place there is no right of appeal as nursery education is non-statutory.

Where there is capacity, schools may offer places to children who have attained the age of three years.
