5th September 2018

Dear Parent/Guardian,

FOREST SCHOOL – 5W

Starting next week on Monday 10th September your child will be taking part in **Monday afternoon** Forest School sessions. These will be each Monday up to and including Monday 17th December.

On Mondays please send your child with a named bag of outdoor clothing and footwear for them to change into after lunch. Please also ensure that their clothes are appropriate for the weather conditions that day, e.g. waterproof coat if rain is likely or hat and gloves if it's cold, and that these are clothes you do not mind getting damaged or dirty. Particularly can you ensure that they have appropriate footwear such as **wellies or walking boots** as we have limited spares and they cannot go into the forest in their school shoes.

Most of your children will have attended a Forest School programme before but if you require a reminder of what Forest School is and why we do it please visit the Forest School section on the website (under School Info/Pupils' Zone).

If you would like to discuss Forest School further please contact me via the school office. I am looking forward to working with your child and hope that they enjoy their time at Forest School!

Yours faithfully,

Mrs Bethany Matthews
Forest School Leader
