Dear Parent / Carer

Thank you for the suggestions you have made for inclusion on our ever expanding school website.

In view of one suggestion - to make available on the site old school pictures taken of children having their school photographs taken at Aire View Infant School, we are asking if any parents/grandparents have any photographs we could borrow and copy. We promise to take very good care of them.

In addition it has been suggested that we could include a 'Where Are They Now' section of former pupils to perhaps include photographs of them in the jobs they went on to do.

This is a very exciting venture and I am sure our children and families will find it fascinating! The children would also learn about what school was like years ago.

If we receive a good response we would like to hold a local History community coffee morning here in school to share our memories with the children.

If you can help with this project please would you kindly send any pictures into school or if you would like us to collect them please give school a call.

Yours sincerely

Head Teacher
