

FairFX

FairFX makes it easy to take control of expenses on set and on location. Our Corporate Card and Expense Platform is perfect for your production:

- Free to use in the UK and you get market leading exchange rates abroad
- Control spending: staff only spend what you load onto a secure prepaid Mastercard
- Easy account setup; get your cards within 5 working days
- Cards can be issued to staff based overseas
- Load cards and transfer balances in real time
- The mobile app allows users to check available funds on the go and request a top-up

Manage your international spending through our simple and secure solutions.
