January/February

Dear Pastor Miller and Victory Baptist Church ,

We thank the Lord for giving us a great 2017, a year full of good health, family growth, souls saved, and church growth. Thank you for another year of faithful prayers and financial support. Your faithfulness allows us to be where God has called us reaching Brazilians for the Lord.

For our family, 2017 ended with a bang! Lawson Jude was born December 29<sup>th</sup> weighing in at 7lbs. 14oz. and 20in. in length. We have already nicknamed him our little anchor. Sara and Lawson are doing great with their recovery. The other kids are doing well adjusting to their new brother. The biggest fights they get into now is whose turn it is to hold Lawson. It has been fun watching them interact with him.

New Life Baptist Church had a great ending to 2017 as well. In place of putting on a Christmas play this year, we did a mini concert celebrating the birth of Jesus. The evening ended with a baptismal service celebrating new life in Jesus. We had eight people follow the Lord in believer's baptism, one of which is a new convert from our new church plant in Guacuri.

As we look to 2018, we are excited to see what God does in the lives and ministry of New Life Baptist Church. The church is buzzing with excitement as the plans for our new church remodel have been approved by the city. The next step is to reach our start-up goal in our building fund. We covet your prayers for our members as they take this next step in their growing church. It will take much sacrifice and determination to complete the goal by the end of 2018, but we know that with God all things are possible.

The first goal of our second term, which was the transition of pastor at New Life Baptist Church, is complete. The transition year of 2017 with Pastor Silval has been a success. The need for us to continue serving in this church is beginning to diminish. Throughout the next few months we will begin passing off our ministries to the Brazilians. It has been exciting to be part of this stage of a church plant. In the midst of transition, the Devil always tries to discourage and destroy. The Holy Spirit's power is imminent during this time and we covet your prayers to protect against the attacks that will be faced.

We love you all and are blessed to be a part of your missions team. Lord bless you all as you continue to serve Him.

Your friend and servant,

Zach, Sara, Landon, Paige, Blake, Jackson, Tori & Lawson Bruner  
 Jude 22
