MAKE A DIFFERENCE WITH A BACHELOR'S IN SOCIAL WORK

Gain a Fulfilling Career in One of the Fastest-growing Professions in the U.S.

Social work is one of the fastest-growing careers in the country, with over 74,700 job openings each year for the next decade. There is a significant demand for motivated individuals with a passion for enacting social change and improving lives within vulnerable communities. With a Bachelor of Social Work (BSW) from Wayne State University, undergraduates gain the skills they need to achieve a fulfilling career in social work.

An Affordable & Flexible Way to Earn Your Degree

Wayne State University's tuition ranks as the most affordable among Michigan's Top 3 universities. Each year, we award students nearly \$560,000 in private scholarships and student training stipends. Senior Rule program allows qualifying BSW students to earn degree credits and apply them towards their BSW or MSW degrees at undergraduate tuition rates. Earn your degree on your schedule. Choose between full-time and part-time schedules, days or evenings. Attend classes on campus or fully online through our BSW WOW program.
