

My Timesheets

Add your timesheets with ease by scanning them there and then.

How to add timesheets

Step 1:

Click the add button next to the timesheet you want to add.

Step 2:

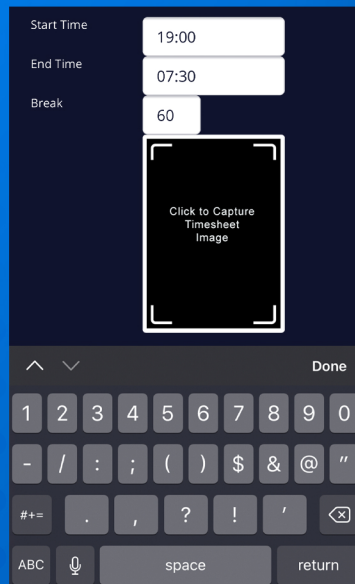

Type out start time.

Step 3:

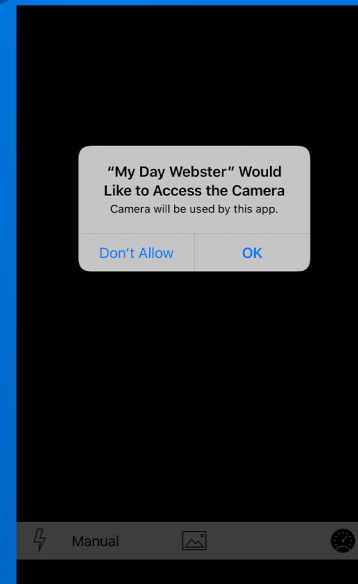

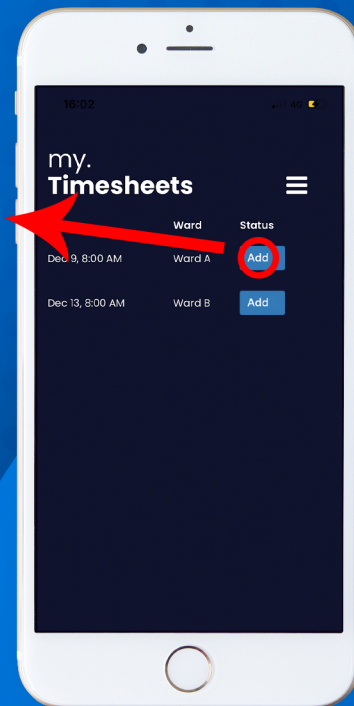

Type out end time.

Step 4:

Type out break time.

The screenshot shows the 'Add Timesheet' form in the app. It has three input fields: 'Start Time' with '19:00', 'End Time' with '07:30', and 'Break' with '60'. Below these is a large square placeholder with the text 'Click to Capture Timesheet Image'. At the bottom is a standard iOS numeric keypad with a 'Done' button.

Step 1:

Click the camera box to capture image.

Step 2:

Allow "My Day Webster" to access your camera.

Step 3:

Scan your document.

Step 4:

Once your upload is complete, click send.
