The Barn

The Lord has given us a wonderful opportunity. We now have 80 acres of farmland in Northern Uganda. My family and I will remain in Kampala and continue to train pastors and start churches. We plan to use this new land to start another Bible College where we can train people from Northern Uganda, South Sudan and from Congo. We also plan to have a youth camp there starting this coming January.

There are already thirteen buildings on the property. There is a church building, and we have a man that we are training from northern Uganda who is already conducting services there. There is also a school

Church Building

building with dormitories, a building for a cafeteria, workers housing, project housing for chickens, goats, and pigs. Plus, plenty of room for farming so that the ministries can be self-supporting. The farming project will help to support the youth camp and other ministries for the land, and it will help to support the student work and study program for the Bible College that will be on the property, as well as the one that is already operating in Kampala.

It has been estimated that when this project is operating at full capacity that it could help us in training **100 or more Bible College students per year.**

PRAYER REQUEST: The 80 acres of land with 13 buildings on it is being sold to us at a discounted price of \$50,000.

Another missionary group is selling it to us and wants it to be used for ministry purposes. They are giving us some time to pay for the land, but we need to pay it as quickly as possible.

We also need to make improvements to the buildings and to get these ministries started. To do this it will cost an additional \$60,000. This money will help the ministries to get started and to become self-supporting. Please pray that the Lord will help us in raising this money, and if you would like to help

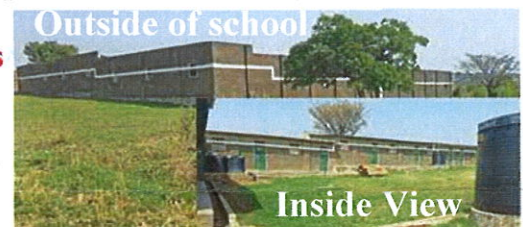

with this then please send your donation through either BIM I or our home church and mark your gift as the "Pridgen – land fund." *This project will help us to train more pastors and start more churches.*

BLESSINGS: So far this year the Lord has allowed us to see 37 people saved.

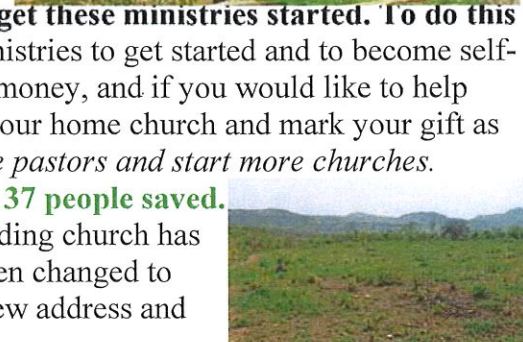

Same Sending Church but a New Name & Location: Our sending church has moved out of the Windsor Hills area, so the church name has been changed to **Your fellow Labourers,** Higher Plain Baptist Church. Their new address and
