

Dear Friends,

Greetings from Sasebo, Japan. The Lord continues to bless our family and ministry to our U.S. military and their families. Thank you for your prayer for our family. It is hard to believe that Julia is already four months old and Jordan will turn three at the end of March. These girls are growing FAST!

Ministry Updates

Since the New Year, God has allowed us to see many victories at Lighthouse Baptist Church. On January 13th, we had our Vision Sunday! God unified our church through the theme of "ROOTED IN CHRIST" from Colossians 2:7. We have set many goals both numerically and spiritually and God is using His people to fulfill them. We have seen people step up in many unique ways in preparation for giving and for our upcoming building remodel. We have been so encouraged to watch families grow.

I am personally praying for \$15,000 to fulfill all of our project needs. If you would like to be a part of this much needed project, please feel free to contact me via email or send love gifts to BIM1 #1569 "Building Remodel".

Our projects include remodeling and expanding our nursery, building an auditorium platform, adding sound equipment and fixing many of the needed repairs on our church property. We have seen many young families come to church and have had high days of 13 toddlers in our nursery. This has been amazing to see, but it has become obvious to us that this expansion is an immediate need. With the renovation, We will nearly double our nursery space as well as improve our current infant nursery as we have expecting mothers in our church.

Prayers Requests

Please pray for one of the teenage girls of our church. Her situation is rather private so if you will please pray for "M" as the Lord knows who she is and knows exactly what she needs.

Also, please pray for our offering on March 31st. Our church is young and is praying for the Lord to provide for this project. Having a store-front church provides many unique obstacles, but we believe these updates will help us to more effectively serve the people in Sasebo.

Because of Him,
Jeffery, Andrea, Jordan & Julia Wright
