

PW GURUKULAM SCHOOL VARANASI

POWERED BY PHYSICS WALLAH

FOR CLASSES PRE-NURSERY TO XII

Where Culture *Meets* 
Innovation

PW METAMORPHOSIS

2014

Alakh Pandey started his YouTube channel called Physics Wallah (PW)

2019

Alakh Pandey joined hands with IIT BHU alumnus Prateek Maheshwari to launch the PW app

2020

PW App was launched to provide a complete curriculum for JEE & NEET examinations

2022

Physics Wallah (PW) became a unicorn company, and launched its first offline center in Kota

2023

PW expanded to 75 offline Vidyapeeth centres across 50 cities
4 Crore YouTube subscribers across 81 channels

PW Institute of Innovation (PW IOI) in Bengaluru was launched to equip learners with in-demand skills

2024

PW established its inaugural school, 'PW GURUKULAM SCHOOL', in Gurugram, followed by the second one in Varanasi.

MESSAGE FROM PW FOUNDERS

ALAKH PANDEY
(Founder, Physics Wallah)

"If your goals are ambitious, then how can the efforts be small?"

Hello baccho! Embark on a transformative academic adventure with Gurukulam! Strive for excellence, embrace challenges, and foster collaboration. Gurukulam is your canvas, paint a future that resonates with ambition. Here's to the limitless possibilities ahead!

PRATEEK MAHESHWARI
(Co-Founder, Physics Wallah)

"Your pursuit of knowledge is not just a journey; it's a celebration of growth and possibilities."

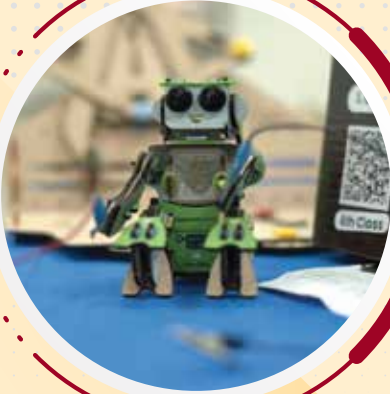

Dear Students, we envision a place where curiosity meets knowledge, challenges become stepping stones, and dreams are nurtured with PW Gurukulam, we're here to support you in your academic journey and beyond, offering a platform where learning is immersive, innovative, and transformative.

EXCELLENCE OF PW GURUKULAM

WISDOM SPHERE

ADVANCED PEDAGOGY

Research-based pedagogy with experiential learning, interactive audio-visuals, and quizzes.

FLEXIBLE AVENUES OF LEARNING

Wide spectrum of learnings such as financial literacy, entrepreneurship, robotics, and other 21st century skills.

INNOVATIVE LEARNING SPACES

Spaces are designed as per educational psychology to develop project-based learning, public speaking & dramatisation.

DYNAMIC TRIUMPHS

PROGRESSIVE TEAM-BUILDING INITIATIVES

Cultivating essential team-building skills to foster collaboration and leadership skills.

WELL-BEING & VITALITY PROGRAMS

Social emotional learning (SEL) through yoga, meditation & life coaching.

SPORTS MASTERY WORKSHOP

Unlocking the secrets to mastering games with expert guidance.

CAREER-BUILDING INITIATIVES

COMMUNITY ENGAGEMENT

Involves activities related to ngos, nature, and society to develop students' understanding of community service.

ENTREPRENEURSHIP PROGRAM

Model united nations (muns) and literary festivals, to engage students in global affairs, diplomacy, & literary pursuits.

GLOBAL INITIATIVES

Events like business day, group discussions, & problem-solving activities to explore business concepts and strategies.

DIVERSE OFFERINGS TO ENRICH HORIZONS

**EDUCATION IS THE FOUNDATION,
BUT EXTRACURRICULAR ACTIVITIES SCULPT A WELL-ROUNDED INDIVIDUAL**

1. GRASS DUNES

Let your child explore, play, and recharge in the embrace of our carefully curated green haven.

2. PROJECT NETWORKING CAFE

Watch them engage, learn, and excel together on exciting projects in the innovative atmosphere of our networking cafe.

3. AERO ROBOTICS LAB

Delve into the fascinating world of aero robotics & unlock endless possibilities.

4. SPACE ROOM

Experiment with gravity, learn about constellations, and discover the wonders of the solar system.

5. BASKETBALL / SKATING

Hoops and thrills—make them slam dunks and three-pointers while growing both physically and socially on the courts.

EDUCATION THAT GOES BEYOND THE CLASSROOM!

PREPARE ASPIRING YOUNG MINDS TO BECOME FUTURE DOCTORS & ENGINEERS WITH COMPLETE GUIDANCE OF JEE & NEET.

FINANCIAL LITERACY COURSE

Let your child become financially savvy, setting a foundation for a secure and informed future.

MONTESORI PEDAGOGY

Nurturing independent thinkers through hands-on learning and self-directed exploration.

WISDOM WELLNESS

Experience the harmonious blend of ancient wisdom of Veda, Gita, and Puranas, and modern education, shaping your child into a well-rounded individual.

MULTI-DISCIPLINARY PROJECT-BASED LEARNING

See your child thrive in an environment that promotes innovation, adaptability, and a love for continuous learning.

CAREER INITIATIVE PROGRAMS

Prepare aspiring young minds to become future doctors & engineers with complete guidance of JEE & NEET

"The mind is everything. What you think, you become"
