

Dear Friends,

Greetings from the land of the rising sun. It is hard to believe we are already in the month of May. We have had a busy past few months. Thank you for your faithful prayers.

Ministry Updates

On March 31, Lighthouse Baptist Church had their "Vision Offering". As a church we were praying for a minimum of \$10,000 to allow us to remodel. By God's Grace, through many churches in the states giving along with the people of LBC we were able to exceed our goal. It was amazing! When the final total was presented to the church, our church (mostly young Christians) saw that as we step out by faith, God will take our few fishes and loafs and multiplies it in abundance. Praise Him for His goodness!

Lord willing, we will begin these projects in the months to follow. There is a builder committed to come help us with these projects in September.

Easter Sunday at Lighthouse was a blessing. Our church had a fellowship prior to service which was well attended. We had many come and enjoy the coffee and donuts. This allowed our church to greet our Easter visitors and make them feel welcome. We had a great morning service, many visitors, great decisions made and one baptized.

Testimony

The young lady who was baptized, has only been in Japan for 5 months. To our surprise, she said that she has been searching for "answers" the entire time. We met her while soulwinning on a Saturday, and the next day she came to church! After a few weeks of attending church and weekly hearing the gospel preached, she was almost ready to get saved. The young lady agreed to meet with Andrea and on a Tuesday morning, Andrea was able to open the Bible and answer all of her questions and was then able to lead her to the Lord. The young lady was so excited! We gave her a Bible and she then asked with tears in her eyes, if she could tell her family how to be saved.

Prayers Requests

Please continue to pray for one of the teenage girls of our church. Her situation is rather private so if you will please pray for "M" as the Lord knows who she is and knows exactly what she needs.

**Because of Him,
