

My Document Scanner

Scan documents straight from your phone camera to us.

How to scan documents

Step 1:

Select recipient of document.

Step 2:

Select document type.

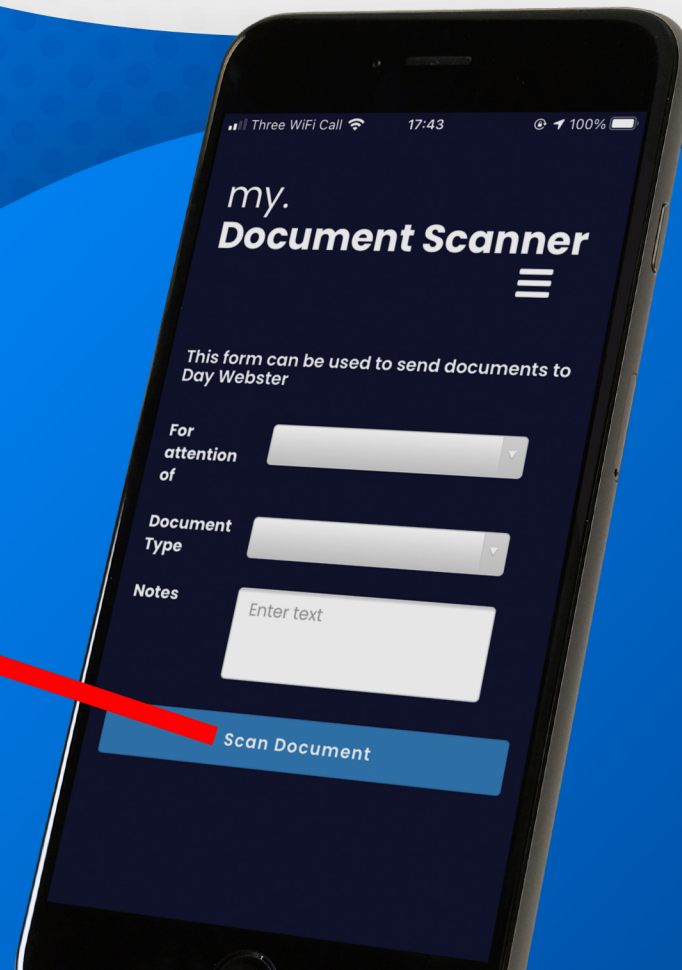

Step 3:

Click the scan document button.

Step 4:

Scan your document, wait for upload complete, then click the send button.

The screenshot shows a mobile app interface with a form for document submission. The form is titled 'my. Document Scanner' and includes a hamburger menu icon. The form fields are organized into sections: 1. Personal details (Name, Date of birth, Place of birth, Current nationality, Sex, Marital status, Nationality at birth, etc.), 2. Document details (Type of document, Date of issue, Valid until, etc.), 3. Applicant details (Home address, Telephone number, etc.), 4. Employer details (Employer's address and telephone number, etc.), 5. Travel details (Main purpose of the journey, Number of entries requested, etc.), 6. Other details (Fingerprints collected, etc.). The form is designed to be filled out by the user, with various checkboxes and text input fields.
