

Dearest Friends and Family in Christ,

January-February 2018

I am so grateful to my Lord for His leading in my daily life and His blessings that overwhelm me constantly. I am also equally grateful for your love and support through sacrificing to help me personally, financially, and ministry wise.

While in the U.S., (from the end of August 2017 through the middle of January 2018), I was able to be a part of Cornerstone Baptist Church where Pastor Dave Rogers ministers. It is so satisfying to be able to go to churches of like faith and totally feel at home as if they were of your very own blood. Praise God because of our Saviour's blood that He shed for us, this makes us family by blood. It was refreshing to serve here in any way possible while I was in California for some needed varicose vein surgery and frozen shoulder therapy.

My micro-phlebectomy (varicose vein surgery) went well. Next time I am back in California, I will need to have sclerotherapy (spider vein injection surgery) on some spider veins as well as a few stubborn varicose veins. My recovery period and therapy sessions allowed me to spend time with my daughter Juanice, her husband Tony, and two of my grandbabies, Jos and Jax.

During my stay in Temecula, California, I was also able to visit one of my supporting churches in Wildomar. Pastor Goddard ministers at Faith Baptist Church. The church is only about 20 minutes away from where I was staying in Temecula. The church in Willmar, Minnesota is also about a 15-20 minute drive from where I stay when in Minnesota with my daughter Davina, so thank God for short distances to travel.

While recovering from surgery, the Lord also allowed me to build some beautiful relationships with some godly ladies, including Pastor Goddard's precious wife. Besides the Ladies' Fellowships and Ladies' Bible Studies, soul-winning is a great way to build close-lasting relationships.

The 57th West Indies Baptist Fellowship Conference

As of the 16th of January 2018, I am back in Trinidad!!! The 21st of January was my first Sunday back at Family Baptist Church. What a blessing to be back with my church family and a few new members. We

were able to attend the last Friday night of the 57th West Indies Baptist Fellowship Conference. These conferences are held annually. Different pastors and their church family from all over the West Indies host the conference each year. The preaching and singing was awesome!!! There was an average of 400 in attendance each evening. During the conference many individuals surrendered their lives to whatever God would have for their lives. Friday was a huge blessing with Bro. & Sis. Ramdial (members of Family Baptist Church) surrendering their lives to whatever the Lord would have them to do.

The Ramdial Family

In just the short time I have been home, it has been so encouraging to see how much many have grown spiritually. The torch has been received by some willing vessels, and they are running "FOR GOD" with it. There are a few new families too, so the church is growing. Praise God!!! I am so thankful to my Lord for my children and grandchildren that make their homes my home; yet, my heart feels so at home in Trinidad where the Lord called my late husband and I so many years ago.

Your prayers mean so much to me. Also, your sacrifice to see that my health, personal, and ministry needs are met continues to amaze me. OH, HOW I AM SO HUMBLLED!!! May God bless you richly!!!

Prayer Requests:

- *Pastor and Sister Satoo-Pastoring at Family Baptist Church her in Trinidad
- *Land to put building on and all the financing it will require to raise it up
- *For more leaders to be willing to take the torch within the ministry at FBC
- *Continued good health so that I can remain mobile from Trinidad to the U.S.

Pastor Satoo and Family

In Christ,

Sharron Jackson

2 Timothy 2:3, 4
