

The COVID-19 pandemic has affected us all in ways we could not have imagined and turned many of our lives upside down. In Ethiopia, tourism has been particularly badly hit and the people who have fared worst are those earning a living as guides, drivers, cooks and scouts.

'Ride the Rift' is an initiative to support those individuals and their families.

Please pledge what you can to the rider who will be undertaking the challenge on 21st November. All money raised will go directly to the families affected.
